

My Last Summer Vacation

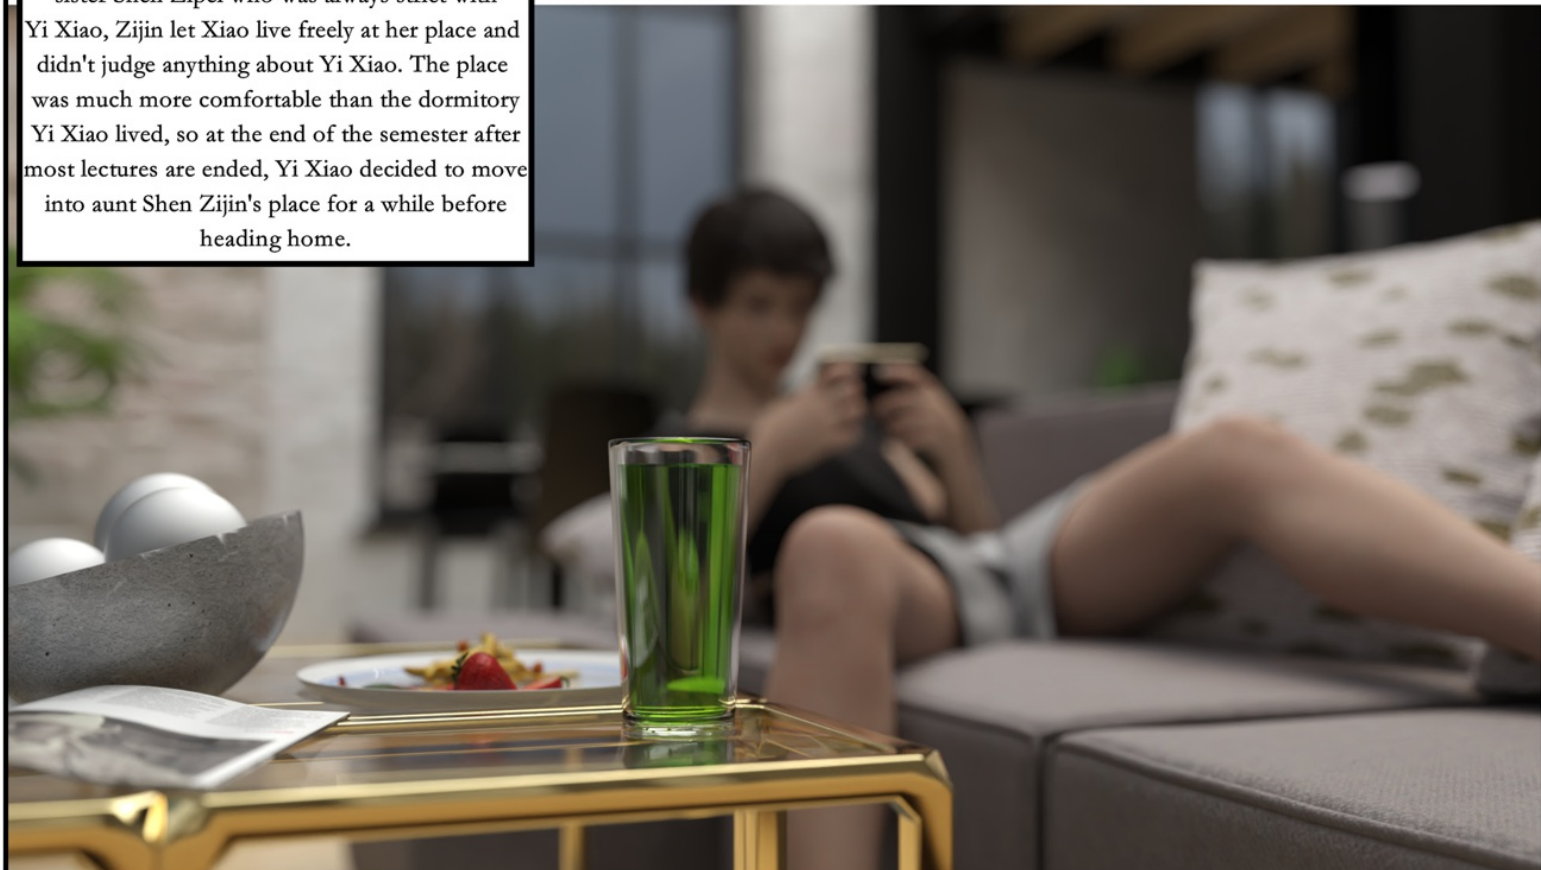

FAN
BOX

After high school graduation, Yi Xiao came to a nearby city to attend university. Since his mother was always working, Yi Xiao rarely returned home. However, Yi Xiao's aunt, Shen Zijin lived in the city where the university is located, Yi Xiao often dropped by to her place on weekends to have meals together. Aunt Shen didn't have any child but for that she treated Yi Xiao as like her own son.

Shen Zijin was an enlightened person. Unlike her sister Shen Zipei who was always strict with Yi Xiao, Zijin let Xiao live freely at her place and didn't judge anything about Yi Xiao. The place was much more comfortable than the dormitory Yi Xiao lived, so at the end of the semester after most lectures are ended, Yi Xiao decided to move into aunt Shen Zijin's place for a while before heading home.

A woman with short, dark, wavy hair is sitting on a grey sofa. She is wearing a black short-sleeved top and is looking down at a smartphone she is holding with both hands. The background features a white textured wall, a potted plant, and a window with black frames. Two speech bubbles are overlaid on the image, indicating a conversation.

Xiaoxiao.. I'm a bit tired now I'll just cook something simple for lunch. Is spaghetti ok to you?

Sure, everything is fine by me.

A woman with her back to the camera, wearing a purple, ruffled, backless dress, is standing at a table. She is holding a white plate with a piece of red food, possibly a strawberry or a slice of watermelon, and is about to place it on the table. The background is a blurred indoor setting with a large window and a person sitting at a table in the distance.

However, there was another reason why Yi Xiao love to come to Shen Zijin's place...

Come on put down you phone! The lunch is getting cold already!

Alright alright I'm coming!

A woman with dark hair tied up in a bun with a red flower, wearing a purple lace-trimmed bodysuit and high heels, stands in a modern dining room. She is looking towards the camera with a serious expression. The room features a dining table with chairs, a kitchen counter, and a stone wall. A speech bubble is positioned above her.

COME NOW! I'll count to three!

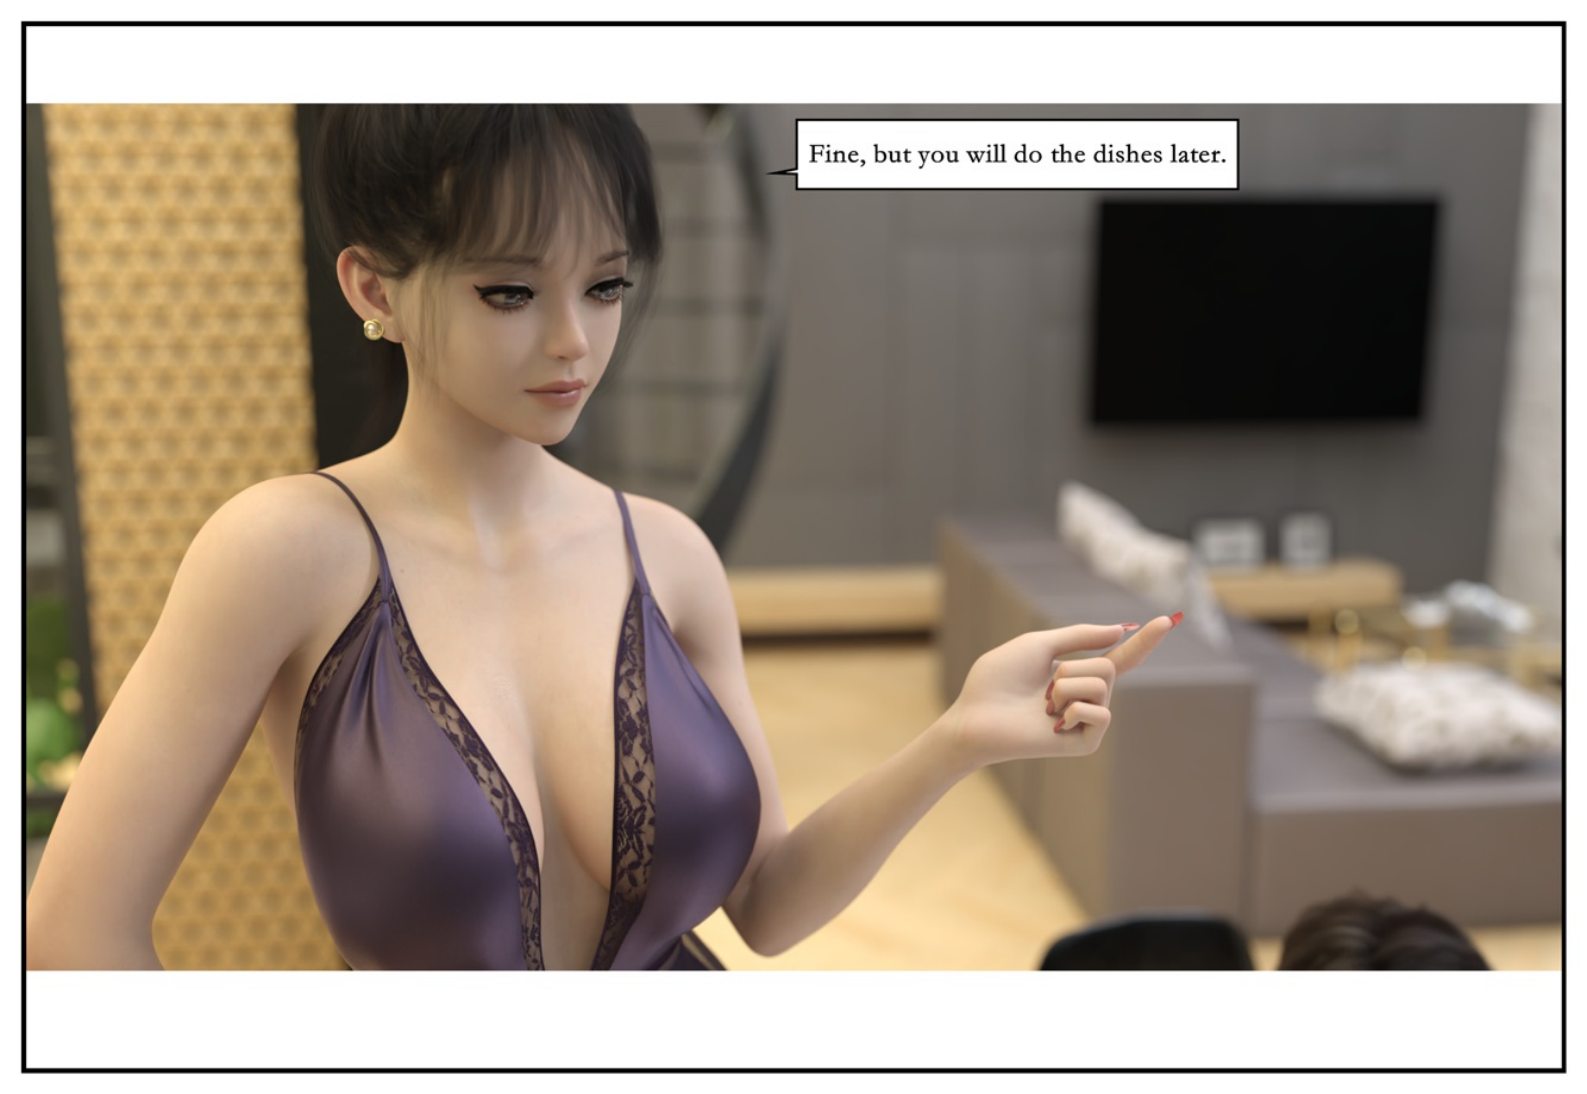

A person with dark hair, wearing a black top, is seated at a table in the foreground, looking towards the woman in the background. A speech bubble is positioned above them.

Alright already, I'm coming.

Always, always do I need to count
to three before you finally come.

Ok I'm here already, let's just eat ok?

A woman with dark hair and bangs, wearing a purple lace-trimmed halter top and a pearl earring, is pointing her right index finger towards the right. She has a serious expression. The background is a blurred interior setting with a television and some furniture.

Fine, but you will do the dishes later.

As for the other reason why Yi Xiao loved to come here.. It was because Shen Zijin is too hot..

Besides, Shen Zijin is still young inside, she was more like a friend to Yi Xiao when they are together. She also never avoided Yi Xiao, even if there weren't enough cloth to cover her up. For that, Yi Xiao sometimes had some chances to glance where he was not supposed to.

But that was not entirely Yi Xiao's fault. Xiao is still a young adult and being together with such beauty would make anyone think indescribable things.

Plus, since Shen Zijin did not have any child, aging seams had no negative effect on her. Instead, as she maintained the looking of a maiden, some maturity brought by passing of time also made her more attractive.

Auntie..

Yeah? Got anything?

A woman with dark hair tied up in a bun with a red hair tie, wearing a purple lace-trimmed spaghetti-strap dress and a gold hoop earring. She is sitting at a white table in a restaurant or cafe, looking off to the side with a thoughtful expression. She is holding a smartphone in her left hand and a pair of wooden chopsticks in her right hand. A plate with a strawberry is visible on the table in front of her. The background shows a large window with a view of trees and a brick wall.

Why didn't you have children with uncle?

How come you want to know that?
You want a little brother?

No no, just wondering that you're that beautiful, your kids would be good looking as you too so..

Alright alright, I'm just kidding.

Ha, you little smart ass caring about my business now? Was sweet though.

Remember to do the dishes after.
Auntie really needs to take a nap now.

Seeing Shen Zijin napping on the sofa,
Yi Xiao knew that the best part of
the day had come.

Another reason why Yi Xiao love aunt Zijin's place is that, when Shen Zijin is asleep or away from home, Yi Xiao could finally dress up with Shen Zijin's clothes from laundry basket to satisfy his fetish which he always kept to himself.

Although Yi Xiao did not have the curve to show off the true beauty of those dresses, thinking that they are wore by aunt Shen Zijin and smelling her scent from those clothes always aroused his guilty pleasure and sexual desires.

Then, everytime Yi Xiao imagined himself as Shen Zijin, and talk to himself as if he is his aunt.

Xiaoxiao, How do I look, do you like it?

A woman with short dark hair, wearing a black, form-fitting, low-cut dress with a lace-up detail at the bust, stands in a modern kitchen. She is looking down at her dress. The kitchen features dark cabinetry, a wooden backsplash, and a large window with a view of greenery. A speech bubble is positioned to her right.

Oh my dear, It got hard right? Seems that you like my dress a lot is that right?

However, at very beginning Yi Xiao was not dared to do things like this. Before this, Yi Xiao would just sniff Shen Zijin's underwear and lingerie, only after he found out that Shen Zijin never noticed his doing, he gradually began to wear her clothes.

Aaaaa, auntie's scent.. I'm gonna lose it..

Aaa, no can't hold it anymore.. I'm gonna cum..

Looking at aunt's underwear full of his cum in it, Yi Xiao could finally feel the embarrassment from guilty pleasure in calm.

Yet, differ than usual, he cleaned the mess in the bathroom, came outside but sensed that somehow the atmosphere is, quite strange.

Seeing Shen Zijin sitting on the sofa and was a bit grumpy, Yi Xiao instantly got anxious and trying to brainstorm if he had did something which could make Shen Zijin mad.

Auntie? I thought you were napping..

Xiaoxiao, come here.

Maybe she had found out what I just did in the bathroom? No... I don't think that I've made any noise which could wake her up..

Why the grumpy face auntie? It's just I've forget
to do the dishes it's totally fine, I do them now
okay?

SIT!

A woman with dark hair tied up in a bun with a red hair tie, wearing a purple lace-trimmed dress, sits on a patterned couch. She has a serious expression. A speech bubble is positioned to her right, containing text.

SO, I just woke up and went to the bathroom, I thought that you were playing videogames upstairs. But no, I saw what you did in the bathroom. Now you just tell me, how long have you been doing this??

Yi Xiao knew this day would come eventually and he had prepared. He was just enjoying that a bit too much and did not notice what was happening outside the door. Now he could only confess everything to Shen Zijin.

When I was in primary school, sometime I.. wear mom's clothes.

Were you impersonating me with my dress put on?

Yes...

I see.. You smart ass could have just told me all these. I'll borrow you my clothes, I can teach you how to sound more like me as well.

I'm sorry auntie, I know I'm doing stuff I'm not supposed to.. I'm sorry.

WAIT, what did you say auntie?
You mean for real that you would
let me dress up like you??

A woman with dark hair tied up with a red hair tie, wearing a purple one-piece swimsuit with lace trim, is sitting on a grey sofa. She is looking towards a man whose back is to the camera. The man is wearing a black t-shirt. The setting appears to be a modern living room with a patterned pillow and a staircase in the background.

Yeah, I mean it. I think you would be perfect with me dressing you up. Plus our height are more or less the same so my clothes should fit too and vice versa.. Right, let' s try something now, I think we could try to switch identity during the summer just for fun.

Let's start with my heels, you've never
tried them before right?

Don't just stare at me,
take off yours already.
You still want my heels??

Aaa, yes ok.

Still somewhat shellshocked, Yi Xiao took some time to comprehend what Shen Zijin was saying, and hurried to take off his shoes.

I'd say that's a perfect fit.

Try walk alittle, you may gonna wear heels
a lot in next few months, okay?

Meanwhile, Shen Zijin noticed that some erection
is happening on Xiao's shorts.

Seems like you are pretty good at walking in heels, definitely had practiced a lot with your mom's heels am I right?

As Yi Xiao was trying to walk in heels, Shen Zijin put on the socks which Yi Xiao just took off.

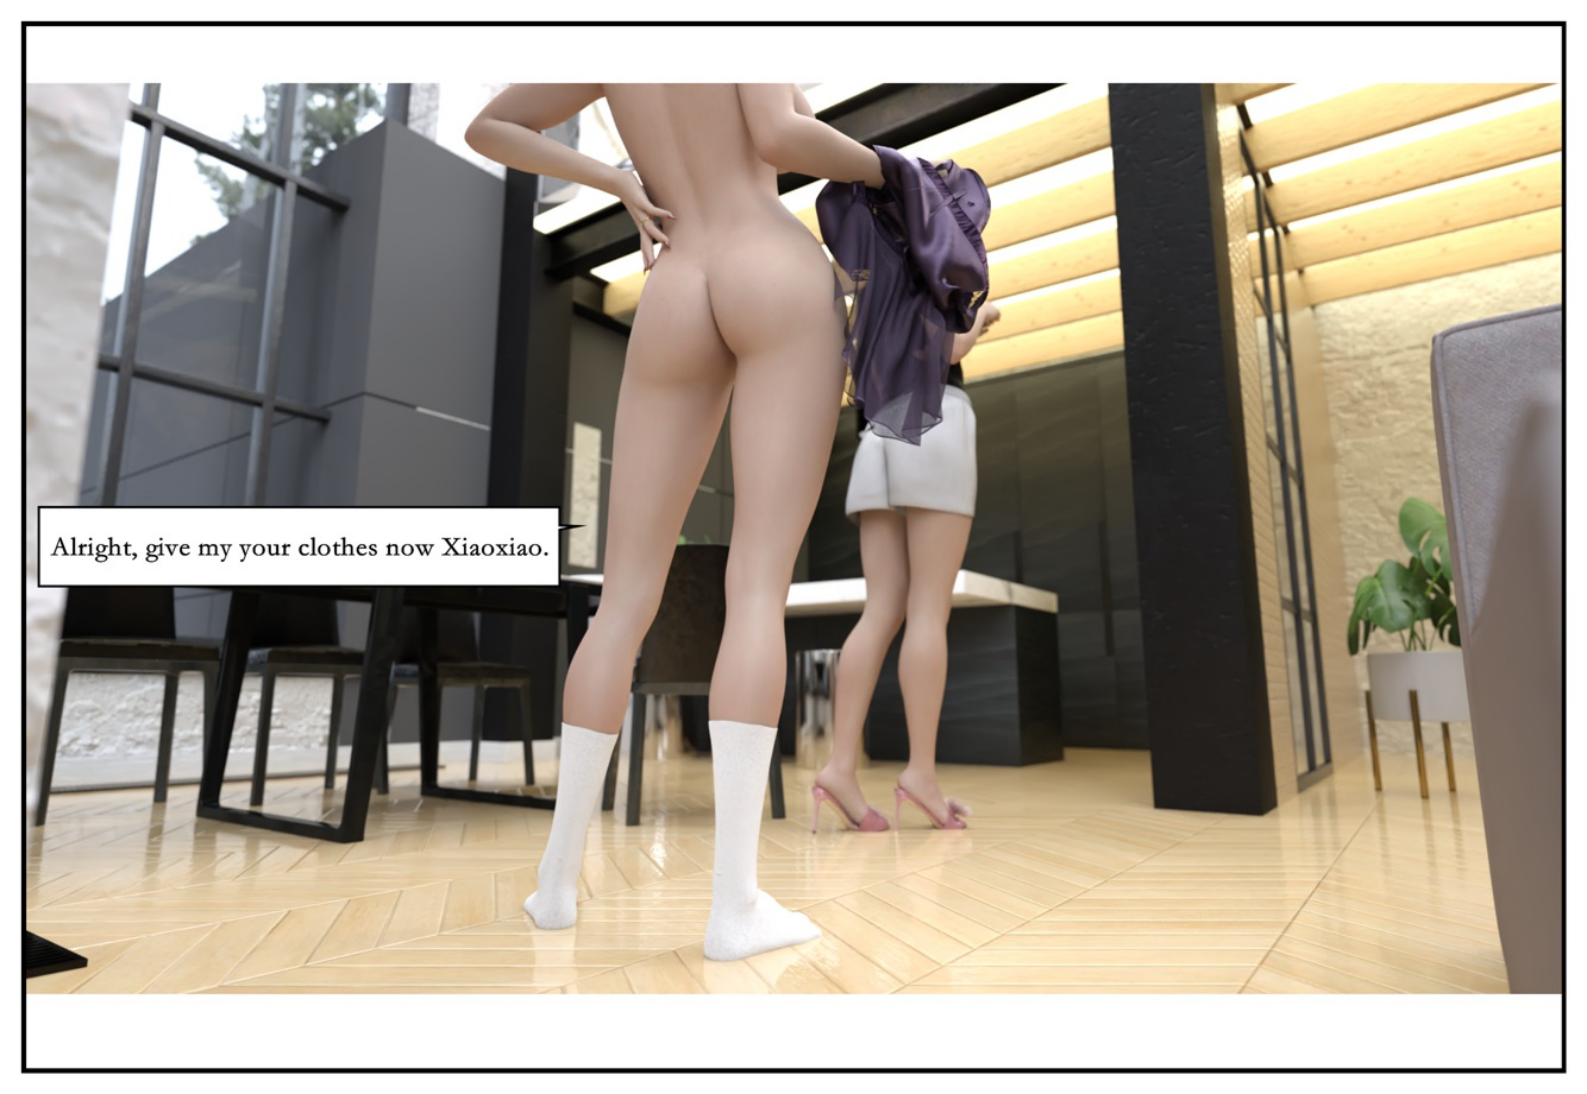

Shen Zijin was quite satisfied feeling that she had some scent from college boy on her.

But this was just her first step,
she wanted much more than that.

Alright, give my your clothes now Xiaoxiao.

Hearing her voice, Yi Xiao turned his head and saw Shen Zijin standing aside him with no clothes on except his socks.

WOW, auntie..

Although Xiao was surprised that Shen Zijin did not shy away from being seen naked, he still put on the clothes she handed over.

The only thing that made him feel pity was that he didn't have the plump breasts like Shen Zijin's to support this sexy pajama.

Do you think you don't look good without breasts? Don't worry, today is just a prelude, I'll turn you into a perfect woman later.

Your face looks like a girl already. Tomorrow I'll do makeup for you and dress you up to the point which my sister won't even recognize you when she comes.

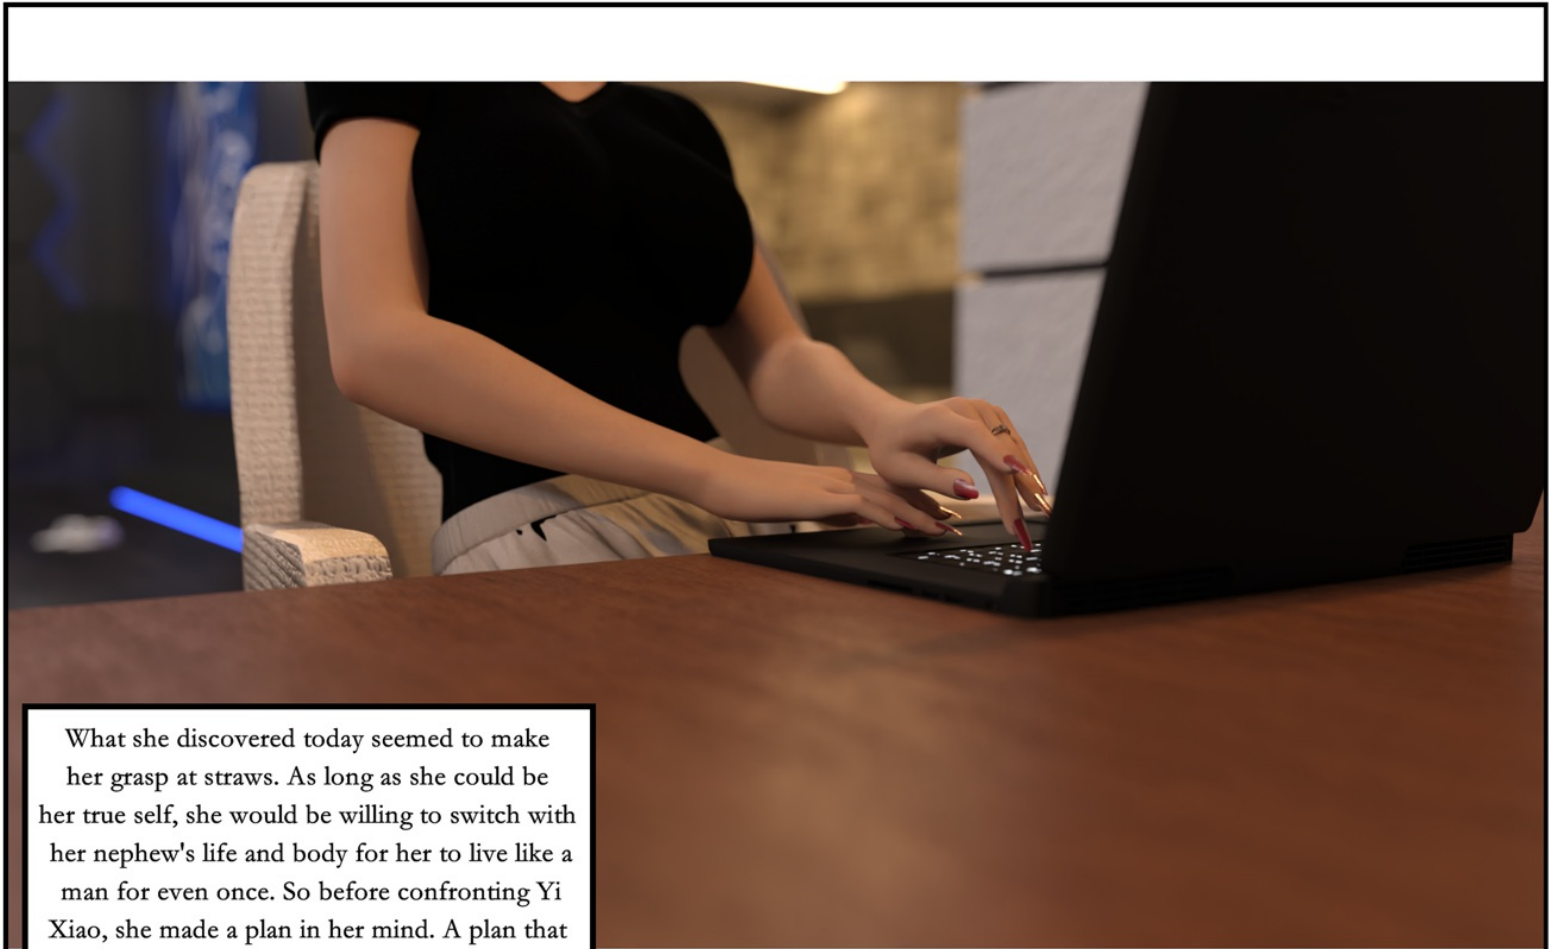

Alone in the bedroom at night, Shen Zijin was still a little shocked by the bold idea she came up with during the day. However, after discovering her nephew's hobby, that was her first reaction. Maybe she could escape from the predicament of her life by using Yi Xiao.

Although Shen Zijin seemed to have a happy marriage, her husband not only loved her, but also made money, she only needed to be a housewife at home. However, all this was just a superficial disguise. The real Shen Zijin actually preferred women, and her marriage was just a compromise with the world. Her husband was also away on business trips all year round, and her marriage was just one in name.

Moreover, soon after getting married, she discovered that the life as a housewife was not suitable for her. But now there seemed to be no way out, she seemed to be trapped in this kind of life.

What she discovered today seemed to make her grasp at straws. As long as she could be her true self, she would be willing to switch with her nephew's life and body for her to live like a man for even once. So before confronting Yi Xiao, she made a plan in her mind. A plan that would allow her to escape without changing the status quo.

A woman with dark hair tied up in a bun with a red hair tie, wearing a black short-sleeved top and light-colored pants, is sitting in a white office chair at a desk. She is looking at a computer monitor. The background is a modern office with blue and white lighting and a stone wall. A speech bubble is positioned above her head.

Ok, let's buy these things first.
Really, I can't wait any longer.

Wearing Yi Xiao's underwear, she couldn't concentrate at all, and down there was already completely wet.

I wonder who just told Xiaoxiao to get used to it faster in the afternoon..

The underwear that Yi Xiao had not changed for two days tightly wrapped her buttocks, and the area that had previously wrapped Yi Xiao's penis was now tightly attached to her genitals.

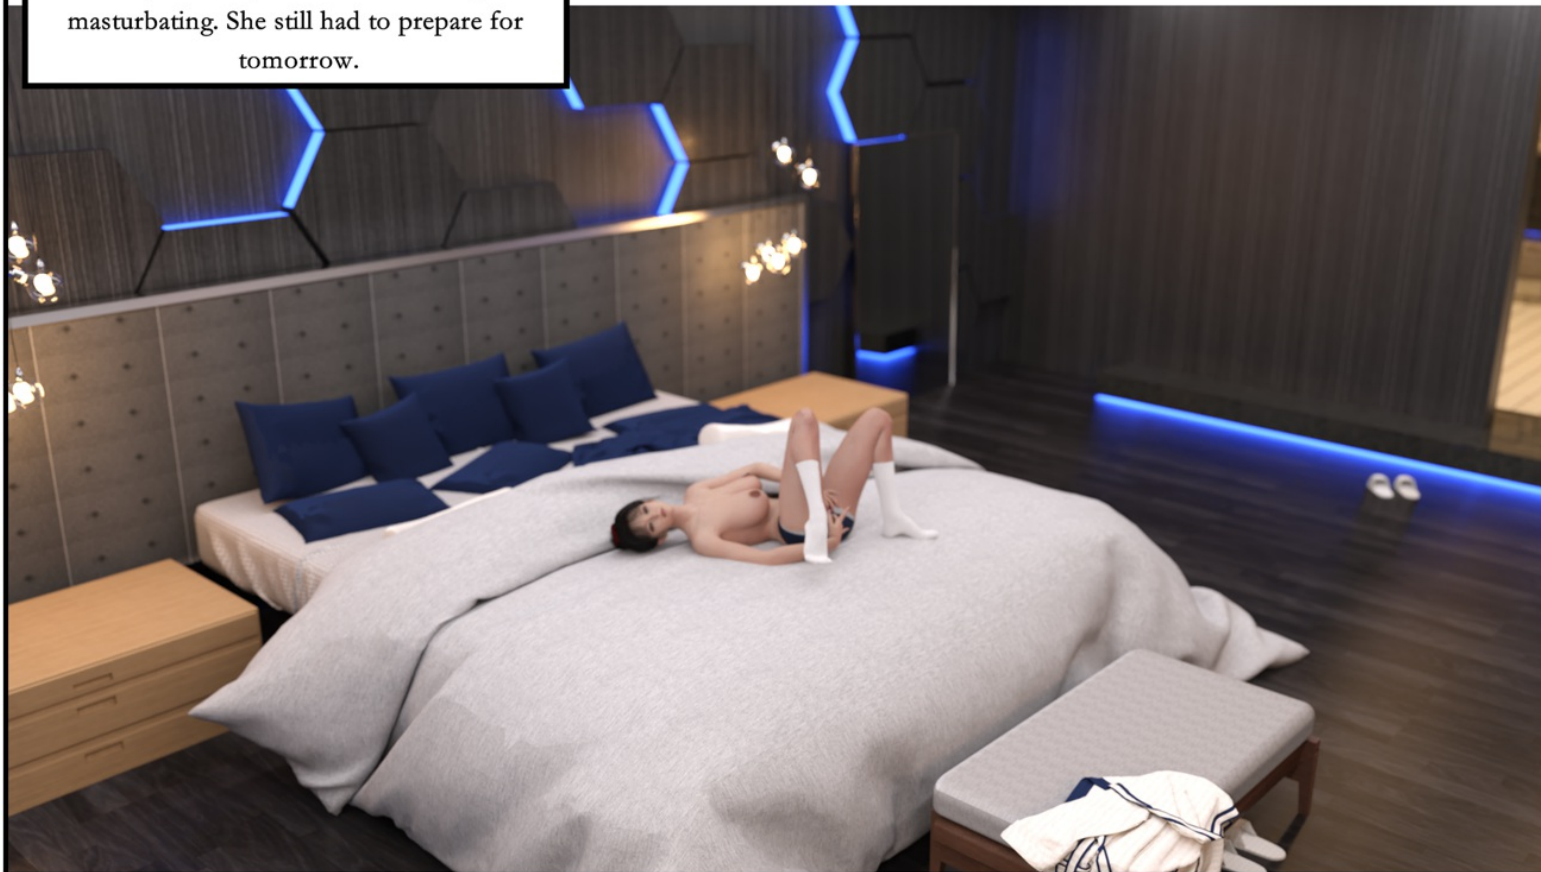

The feeling of the underwear being soaked with her love juice came from her fingertips, which made her feel as if she had forbidden fruit with Yi Xiao.

If Xiaoxiao sees me like this now,
Ah ~ I'm so shy.

However, Shen Zijin still couldn't sleep after masturbating. She still had to prepare for tomorrow.

The next day

A woman with short, dark, wavy hair is shown from the chest up, wearing a purple lace-trimmed top. She is looking towards the right of the frame with a neutral expression. The background is a blurred indoor setting with warm lighting. A speech bubble is positioned to her right, and a portion of another person's leg is visible in the bottom right corner.

Still not finished? Auntie?

Do't move! Is it too much trouble just to paint
nails?! Becoming me is not that easy.

Be careful with your hands! The nail polish I just applied is not dry yet.

A woman with short dark hair, wearing a purple lace dress, is sitting on a grey couch. She is looking down at her legs, which are crossed. She has pink nail polish on her fingers. The background is a modern interior with warm lighting and patterned pillows.

I'll only help you apply it once, you're gonna have to learn to apply it yourself later.

It was just applying nail polish, but during that Yi Xiao felt that his cock was so hard that it almost burst out of the underwear which Shen Zijin was wearing.

Stand up and let me see it.

A woman with short dark hair, wearing a dark purple, lace-trimmed one-piece swimsuit, stands in a room. She has her hands clasped in front of her and is looking down. In the foreground, the back of another woman's head and shoulders is visible; she is holding a smartphone and appears to be taking a photo of the woman in the swimsuit. The room features a large window with a black frame, a stone wall, a floor lamp with two adjustable shades, and a gold-colored metal cart with a book on it. The floor is made of light-colored wood-look tiles.

Not bad, not bad. It's the same color which I usually use.

Is it over yet?

No it is not. Next I'd like you to experience the magic power of makeup.

Ah, it's a lot of makeup there.

A 3D rendered scene showing a woman sitting on a grey sofa. She is wearing a dark blue dress and white socks. Her legs are crossed, and she has a pained expression. A shopping bag with a colorful floral pattern is on a gold-colored table in front of her. The background shows a modern interior with a white cushion and a wooden chair.

Ouch, be gentle, auntie, you hurt me.

Humph, yet to become a girl, I see you've
already memorized the girl's lines in advance.
Just be patient for a bit longer.

Okay~, indeed you're my nephew. Wearing the same makeup as mine now, you look like me already.

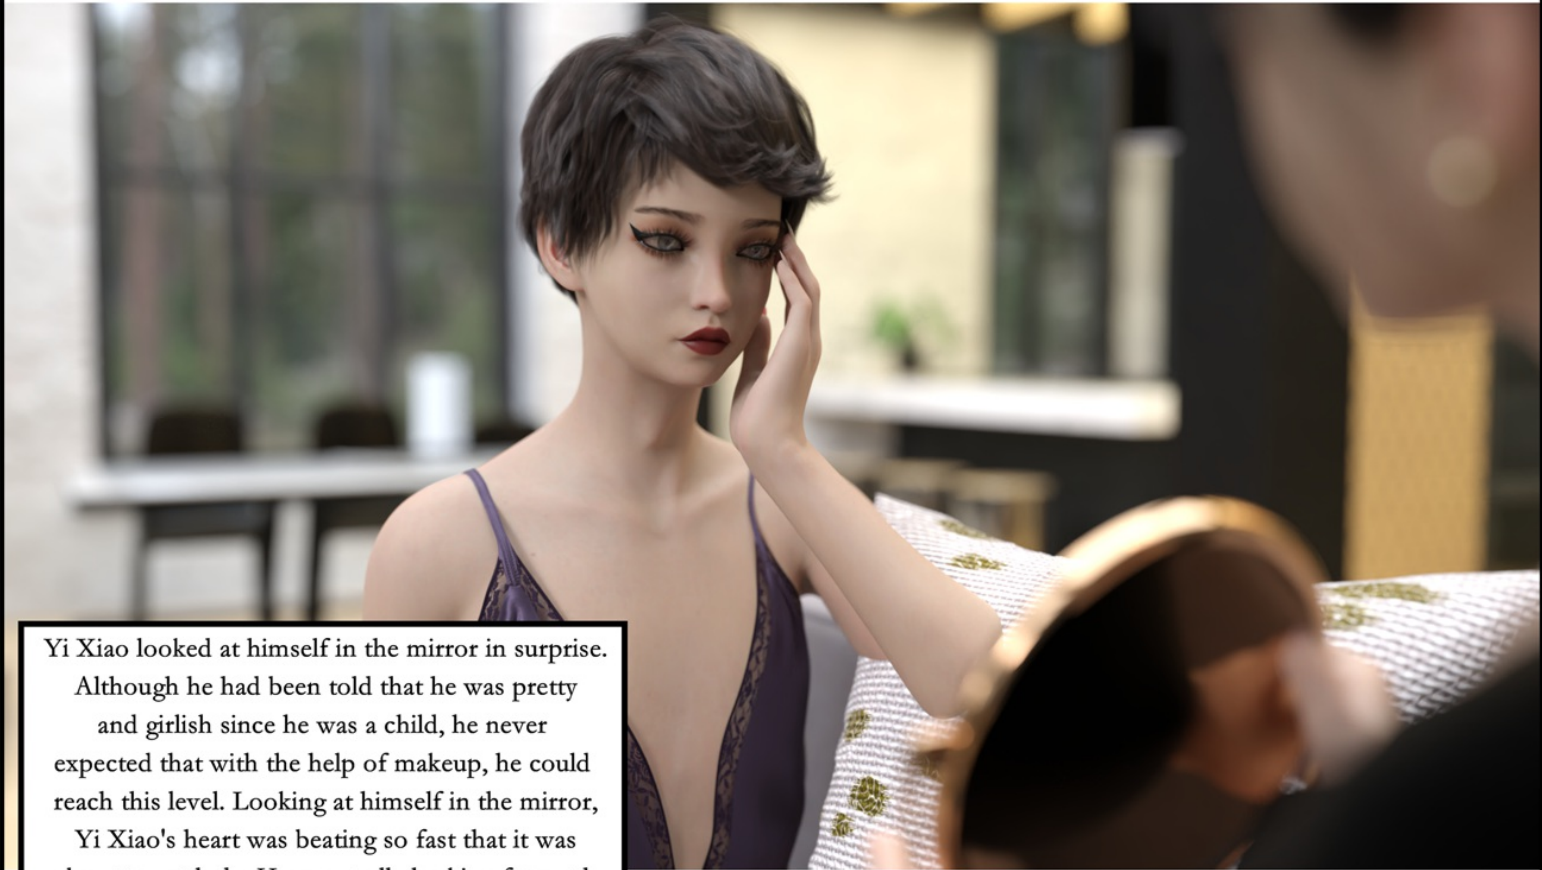

Let me get the mirror for you.

A woman with dark hair tied up in a bun with a red hair tie, wearing a black short-sleeved dress, is sitting on a grey sofa. She is holding a round, gold-framed mirror and looking at her reflection. The background is a modern interior with a grey wall, a wooden desk with two framed pictures, and a grey sofa. In the foreground, the back of a person's head and shoulders is visible, looking towards the woman with the mirror.

See? lovely right?

Is that? Is that me?!

Yi Xiao looked at himself in the mirror in surprise.

Although he had been told that he was pretty and girlish since he was a child, he never expected that with the help of makeup, he could reach this level. Looking at himself in the mirror,

Yi Xiao's heart was beating so fast that it was about to explode. He was really looking forward to how far he and his aunt could go.

Well, it's perfect, but the hair style is a little bit off. I'll take you out to do a girl's hair style later.

A woman with dark hair in a bun, wearing a black dress, is looking at her smartphone. Another woman with short dark hair is touching her hair. The background is a stone wall with a large circular gold and silver decorative piece.

Alright, it's about to arrive,
it says it's near us now.

Ah, you got more things for me?

Don't worry, you'll find out soon.
Before that, I'll put the earrings on you

I like clip-on earrings, so I don't
have to pierce your ears.

knock knock!

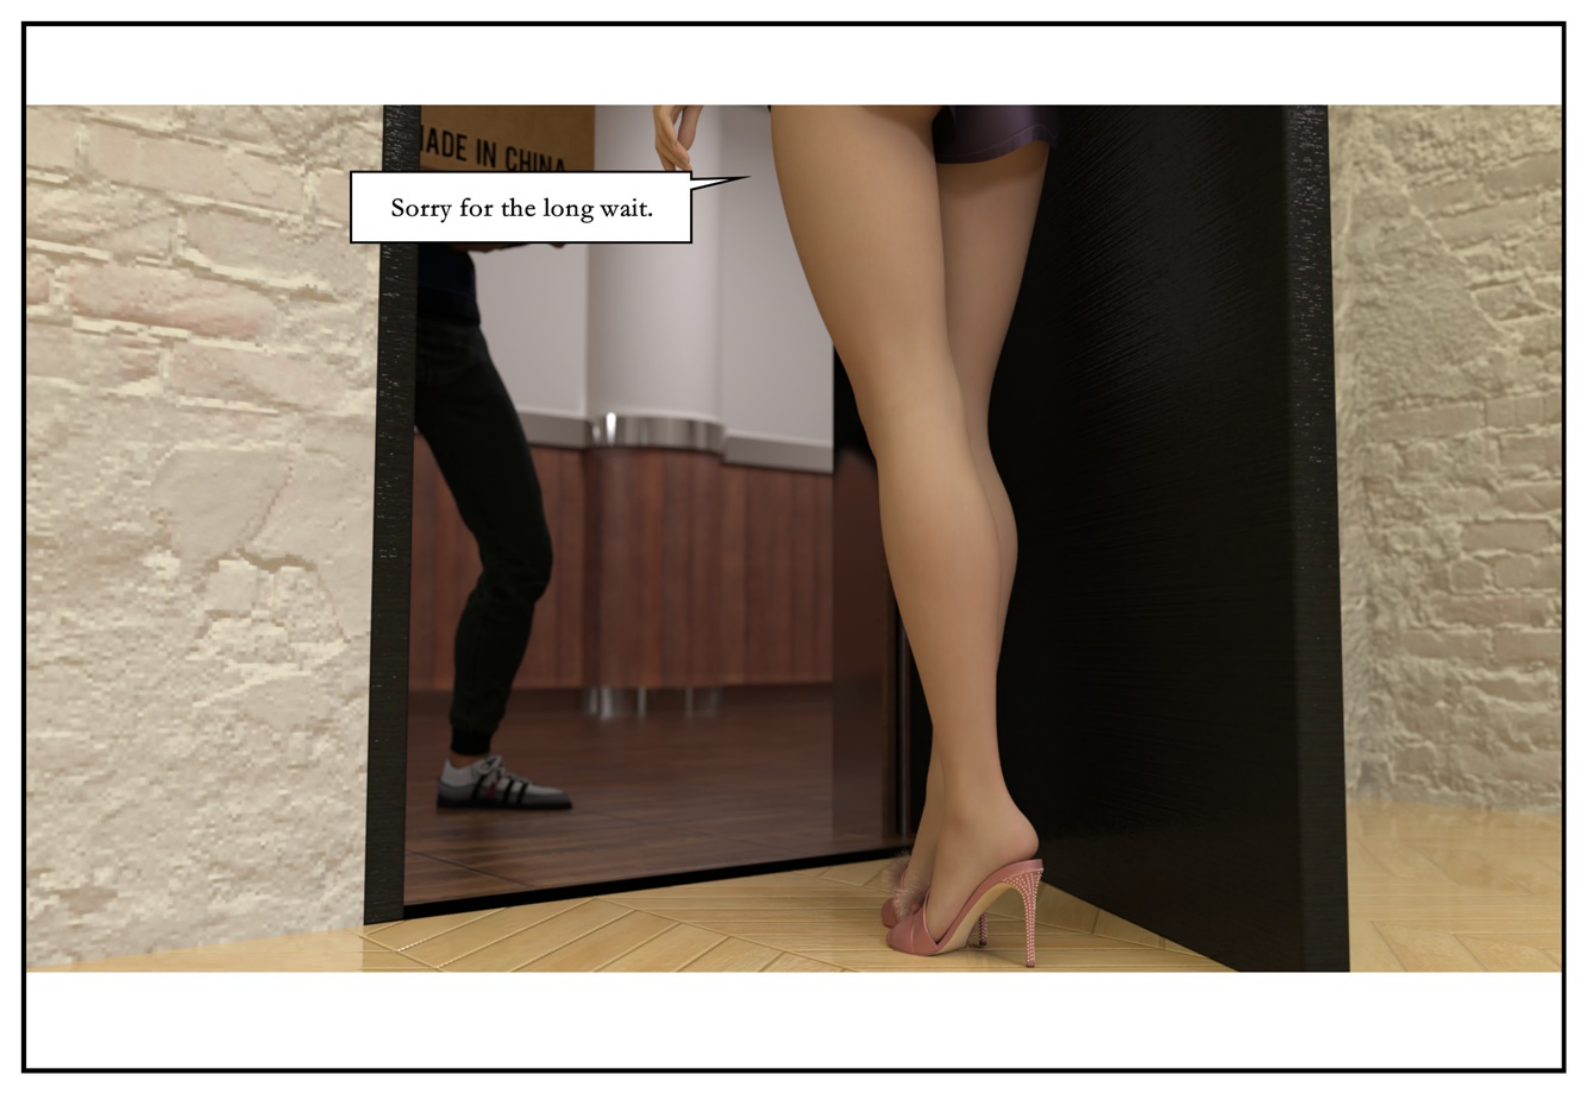

Ah, the package is arrived,
go get the door.

Ah? I...I go get the door?
You sure it's ok for me to meet
strangers like this?

Of course there's no problem, it's just a
flat-chested younger version of me.
Go quickly, don't keep the delivery waiting.

A photograph showing the lower legs and feet of two people standing in a doorway. On the right, a woman's legs are visible, wearing a dark purple or black skirt and pink high-heeled shoes with a stiletto heel and a toe cap. On the left, a man's legs are visible, wearing black pants and grey sneakers with white socks. The doorway is framed by dark wood or metal. The walls on either side are made of light-colored, textured stone or brick. The floor is made of light-colored wood planks. A speech bubble is positioned above the man's legs.

Sorry for the long wait.

It' ok. Is this Ms. Shen Zijin?

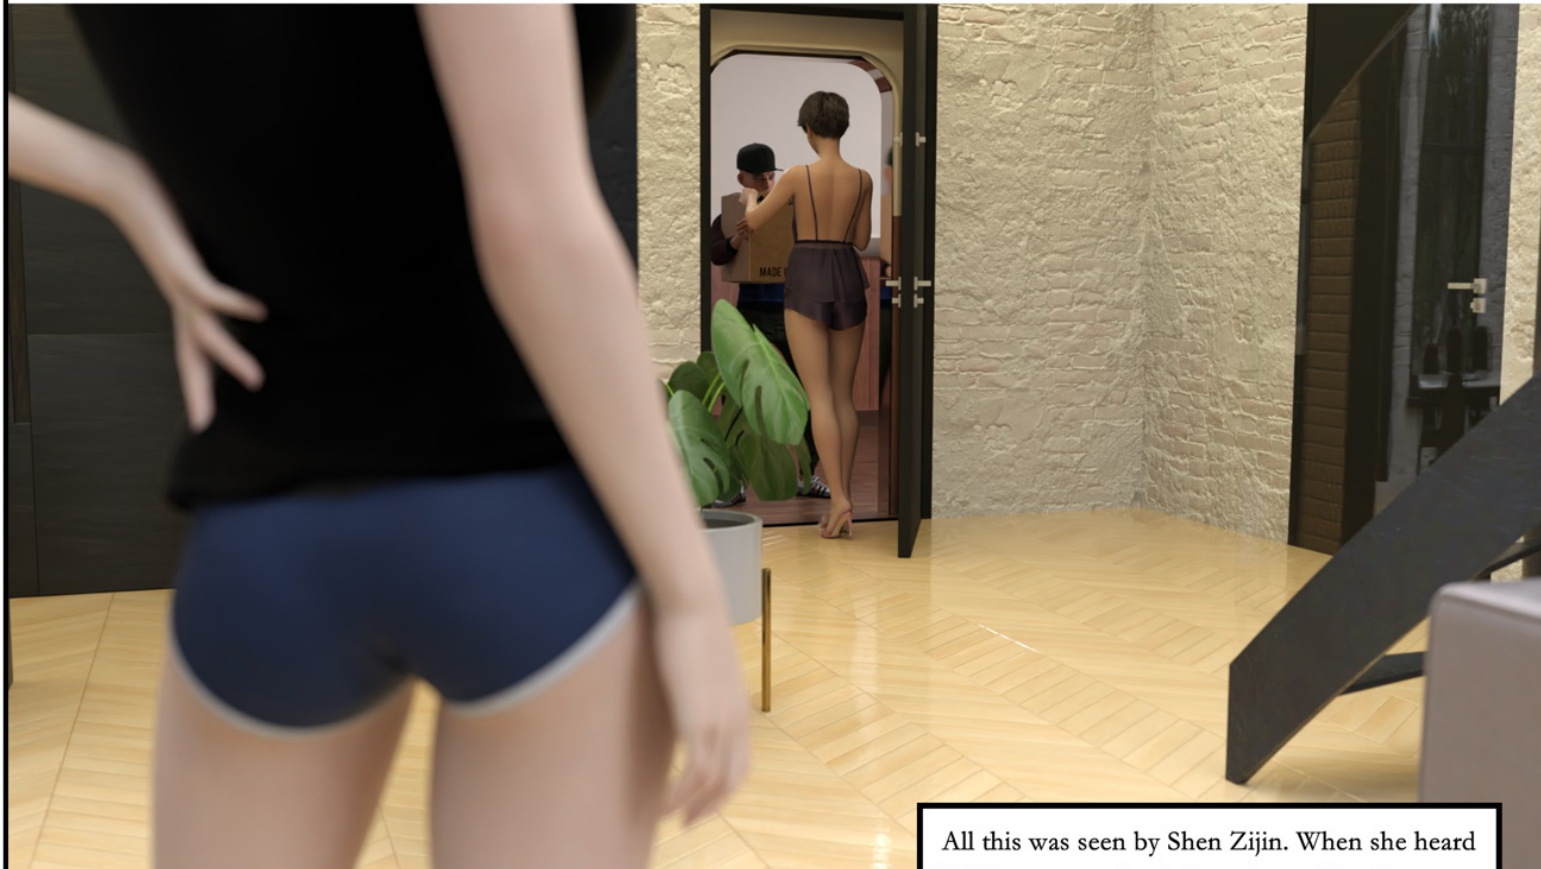

Ah? Ahh...it's me...

Alright, please sig.. cough* .. sign here.

When he raised his head, the delivery boy froze. He was shocked by the person in front of him, who could not tell whether she was a man or a woman. She had such a beautiful face and was dressed so sexy, but had no breasts at all. And why did she react so strangely when she heard her name.

But after all, he had professional training, and he would never look at things he shouldn't. He immediately looked away.

All this was seen by Shen Zijin. When she heard Yi Xiao answer the delivery boy calling her name, she felt an unprecedented pleasure.

Just put that on the table.

Auntie, what is this?
Such a big box but so light.

Of course it is something that can prevent the situations like just now.

Situations like just now?

Yes, although your face already looks like a girl, if we really want to exchange identities, your skinny figure will not look like a girl. So, of course, we need some props to make you more like a girl and me more like a boy, so that we can better pretend to be each other.

What kind of thing could help us to acheive that?

You'll know if you open it and take a look.
You will be amazed.

Ha, what did I think it was? Isn't this just silicone suit? It feels very nice though.

Don't be so hasty to judge. You haven't tried it yet. Come on, take off your clothes. Auntie will help you put it on.

I'll pull it down now.

Auntie...wait, my hair...is stuck.

Almost there..

Auntie, did you buy XXL size? It's too loose.

Ouch..

Retracts

How do you feel? Aren't auntie's breasts beautiful? Those are made from reverse mold of mine.

God, this is so real.

Not only that, there is even touch feedback. Although it is definitely different from the real touch, the biggest selling point of this product is that it can transmit some touch and simulate the function of real body parts.

Ha, already protecting those babies aren't you?
Okay, I won't tease you anymore, let's continue.

This fake vagina pants is the most important part. Remember to hide your penis well before wearing it.

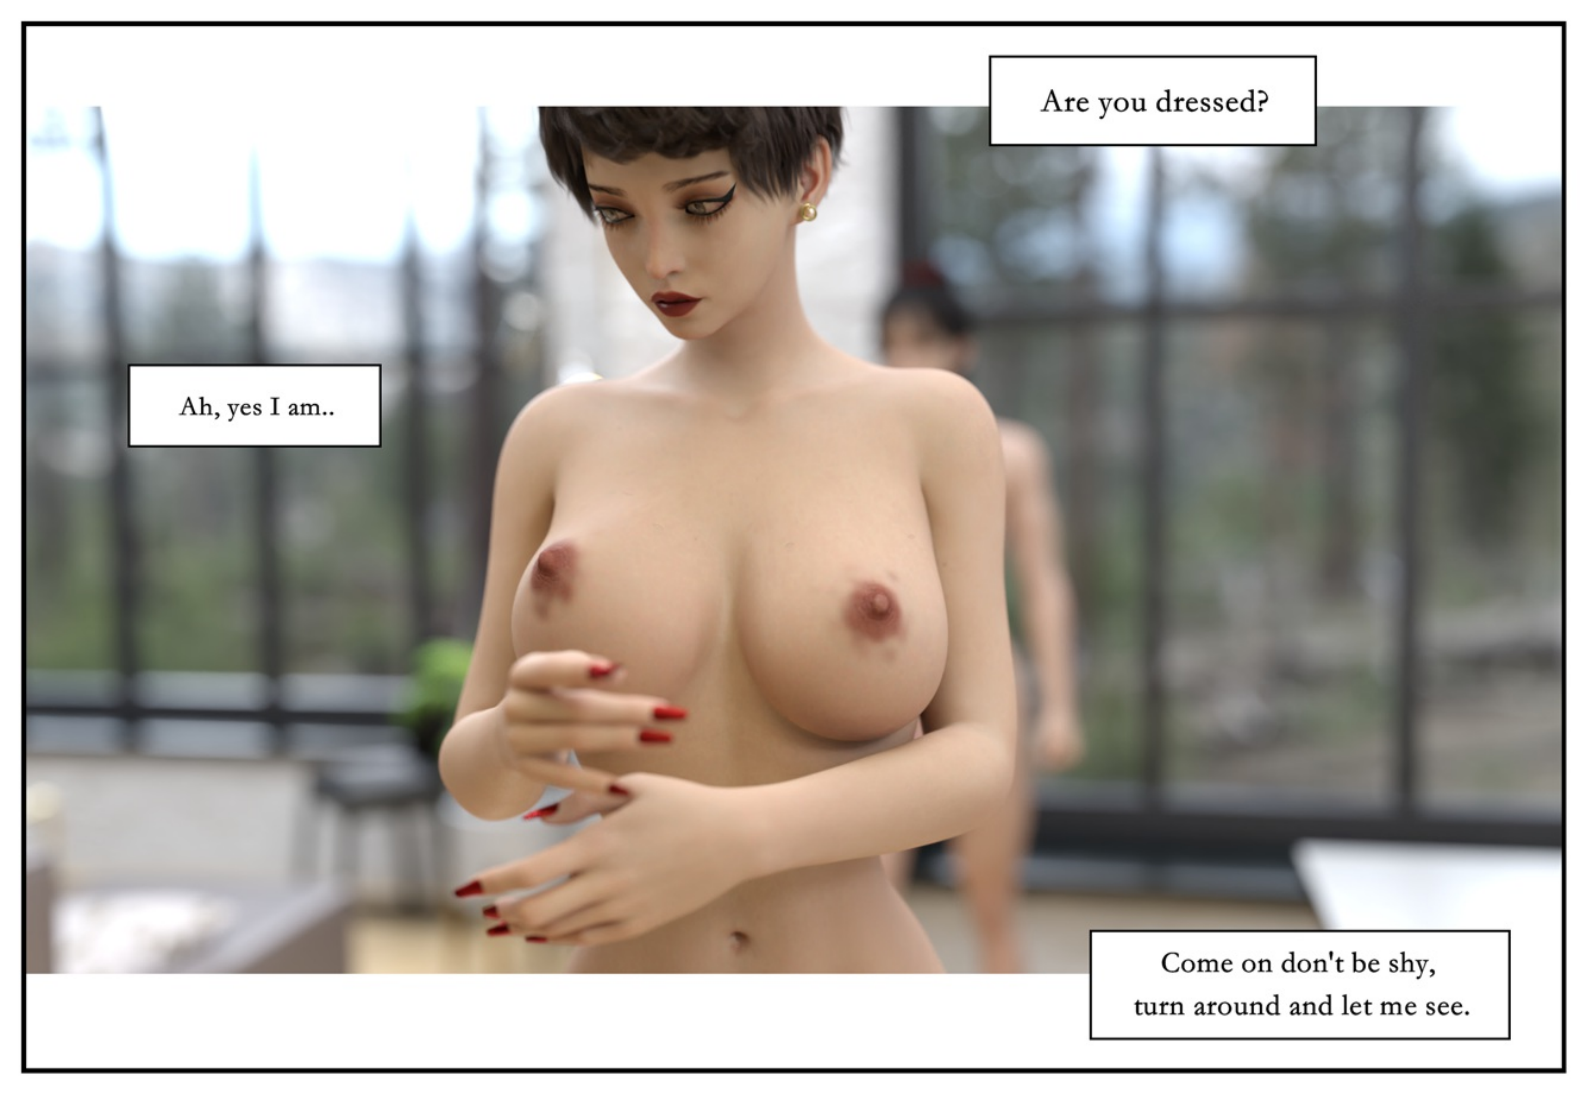

What about you, auntie?

You just wear yours,
mine is in the box,
it will be done soon.

After a lot of effort, Yi Xiao finally finished wearing the things Shen Zijin gave him. Only then did he realize how magical these things were. Not only had his buttocks been modified to be as round as a girl's, but his lower body was completely empty.

Just as he stretched out his hand to feel it, a sudden sound from behind made him retract his hand like he had an electric shock.

Are you dressed?

Ah, yes I am..

Come on don't be shy,
turn around and let me see.

He turned around shyly, seems to not know what to do, and he was even afraid to look at who is right in front of him.

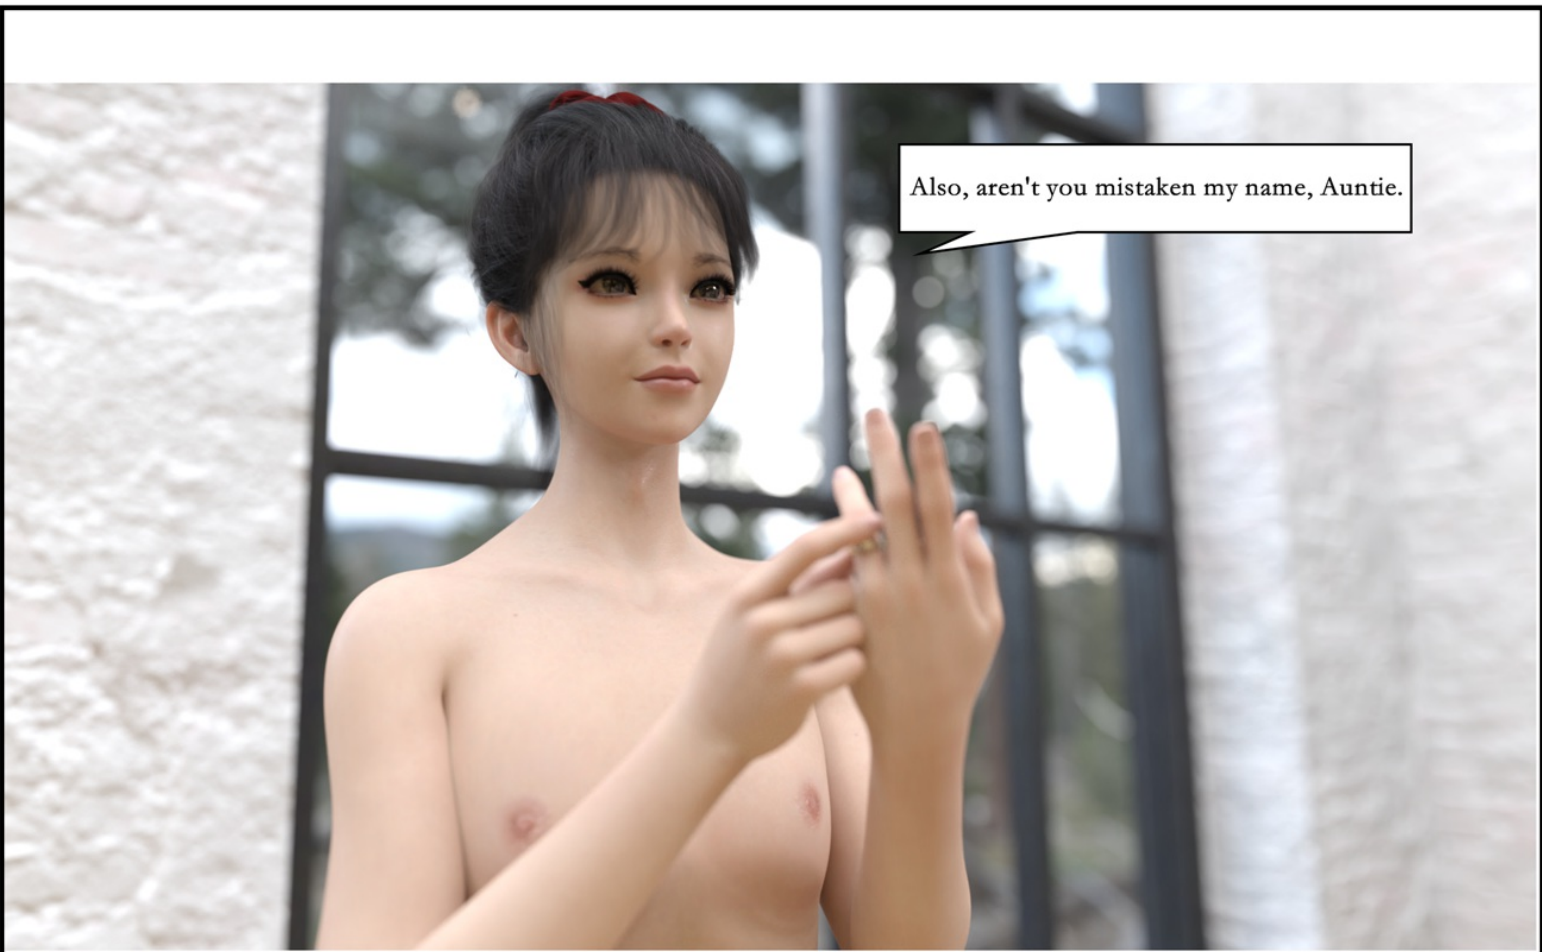

A 3D rendered woman with short, dark, wavy hair, large blue eyes, and red lipstick. She is wearing small gold hoop earrings and has her right hand covering her mouth with her fingers spread, indicating shock or surprise. She is unclothed. The background is a dark, indoor setting with some yellowish light sources.

However, when he raised his head and looked at Shen Zijin down there, he was still shocked.

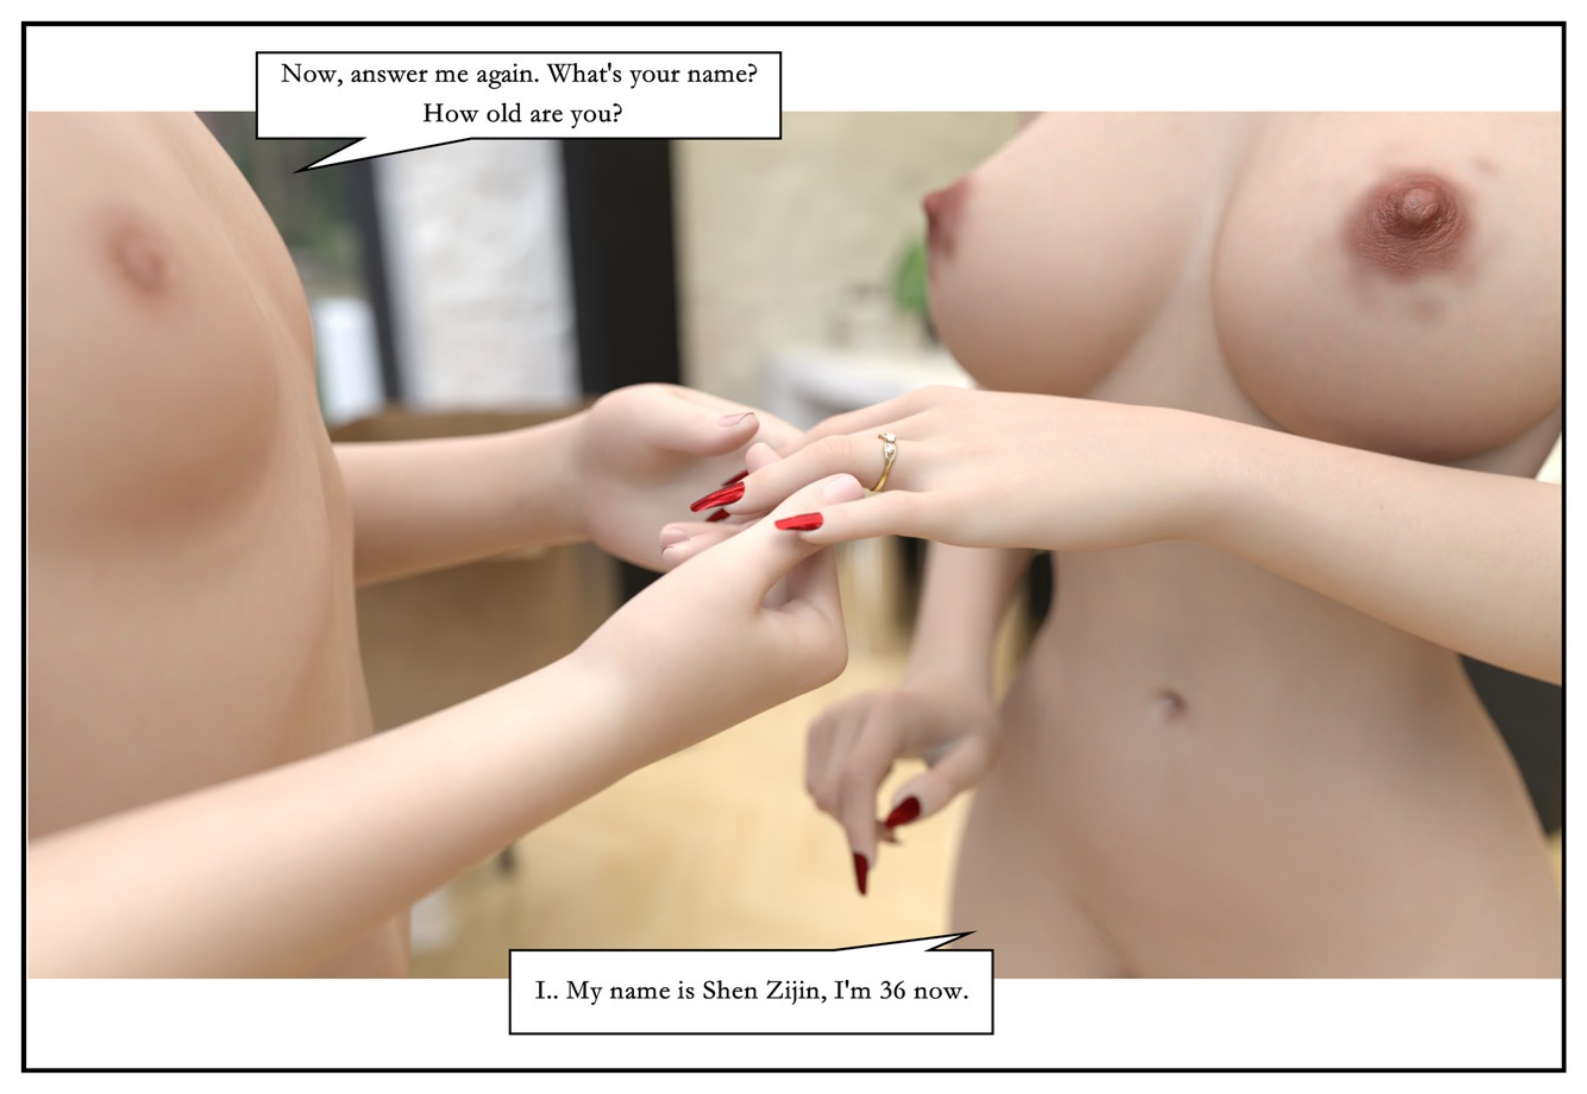

Ah..! Auntie..Wh..How..!

Told you I 'm fast.

Also, aren't you mistaken my name, Auntie.

Now, answer me again. What's your name?
How old are you?

I.. My name is Shen Zijin, I'm 36 now.

Looking at the ring on his hand, Yi Xiao seemed to feel that not only his body, but also his heart had become his Shen Zijin from that moment.

A scene from an anime-style video game or animation. Two female characters are shown from the chest up, unclothed. The character on the left has long black hair tied up with a red hair tie. The character on the right has short black hair and is pointing her finger towards the first character's chest. A speech bubble is positioned to the left of the first character. The background shows a shop interior with wooden paneling and a white textured wall.

Don't just stare at the ring, auntie.
It's already yours. We still have to
go get you a hair cut later.

Okay, Xiaoxiao. wait for your
auntie to get dressed.

Yi Xiao's cooperative answer almost
made Shen Zijin reach climax on the spot...

Also the giant dick got both of them a bit surprised.

Auntie, can you go faster. Aren't you asked me to buy clothes with you?

Shen Zijin wore Yi Xiao's clothing in comfort, almost ignored that it was Yi Xiao's first time wearing high heels for such a long walk.

A woman with long red hair, wearing a black backless dress and high heels, is walking away from the camera on a city sidewalk. A man in a black tracksuit with white stripes on the sleeves is standing and looking at her. The background shows a brick building with windows and several trash bins.

Wait Yi Xiao, show down!

Um? What happened? Is my beautiful auntie gonna give up getting her hair cut just for walking in heels?

Although was ridiculed by Shen Zijin, Yi Xiao never thought that he would not be able to hold long wearing high heels outside.

Alright already.. High heels are already difficult to wear, and your shoes are one size smaller than mine feet. It hurts me so much.

See? That's the exact reason why we are going shopping. Let me help you walk there.

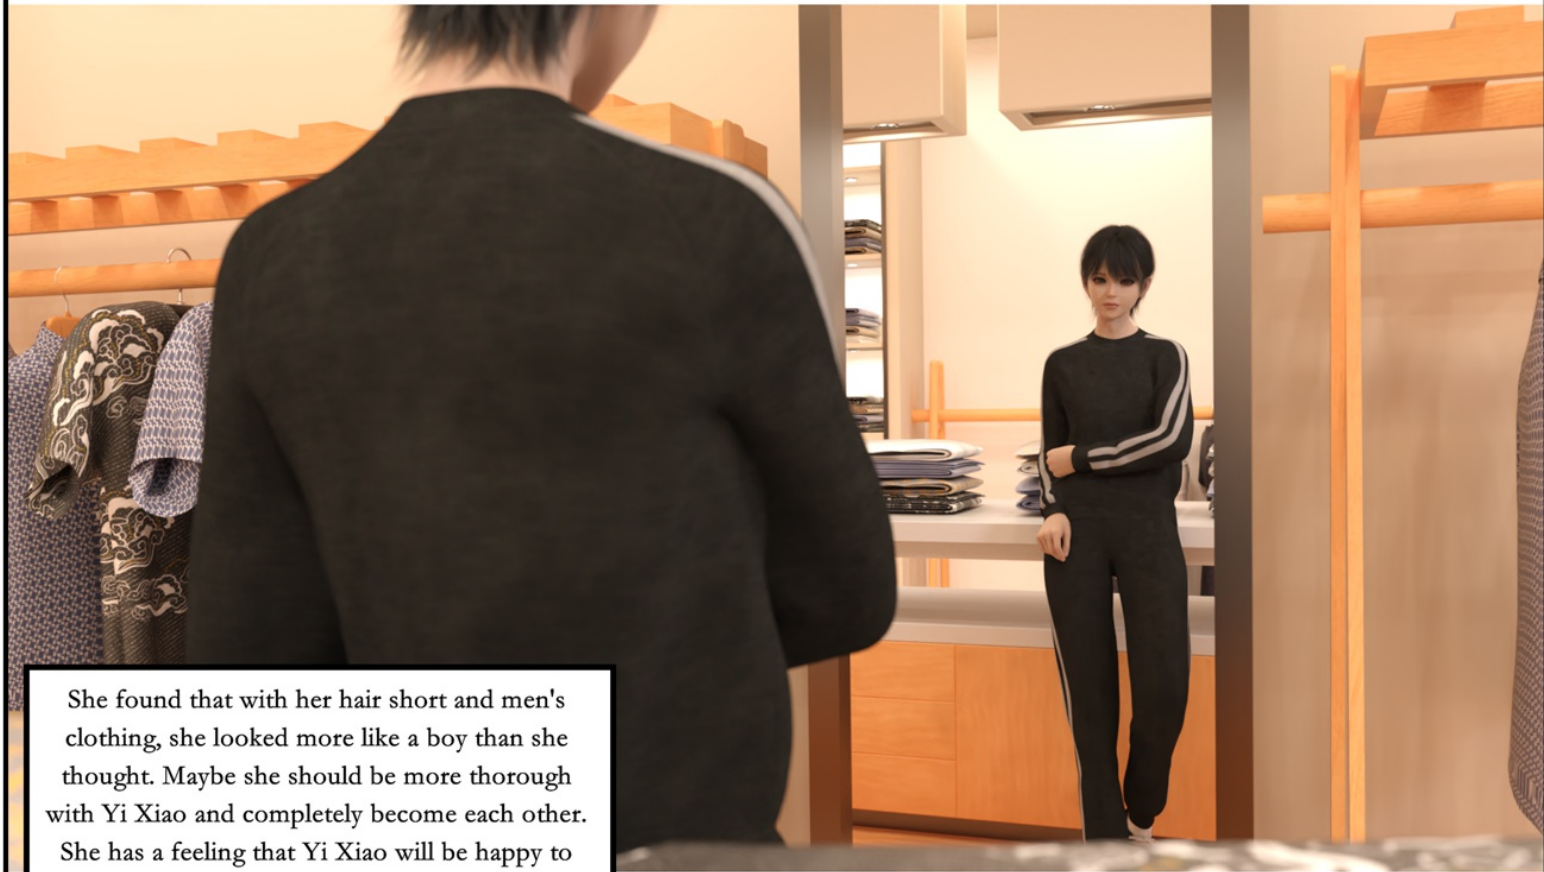

Just walk a little slower, okay? You know that you need to cherish the beautiful girls, right?

In the store, while waiting for Yi Xiao to try on clothes, Shen Zijin carefully looked at herself in the mirror.

She found that with her hair short and men's clothing, she looked more like a boy than she thought. Maybe she should be more thorough with Yi Xiao and completely become each other. She has a feeling that Yi Xiao will be happy to accept that as well. After all, it seems that he is enjoying it now.

However, she still had to find a chance to confirm with Yi Xiao. Thinking of this, she couldn't help but touch the fake cock in her underwear. She hoped that she could have Yi Xiao's real cock when school started after the summer vacation. .

Xiaoxiao..

Then a call brought her back to reality.

A woman with reddish-brown hair, wearing a red dress and red high-heeled shoes, stands in a dressing room. She is looking at her reflection in a mirror. In the foreground, the back of a person's head and shoulders is visible, looking towards the woman. To the right, another person in a black outfit is standing near a counter with folded clothes. A speech bubble is positioned to the left of the woman, and a text box is at the bottom of the image.

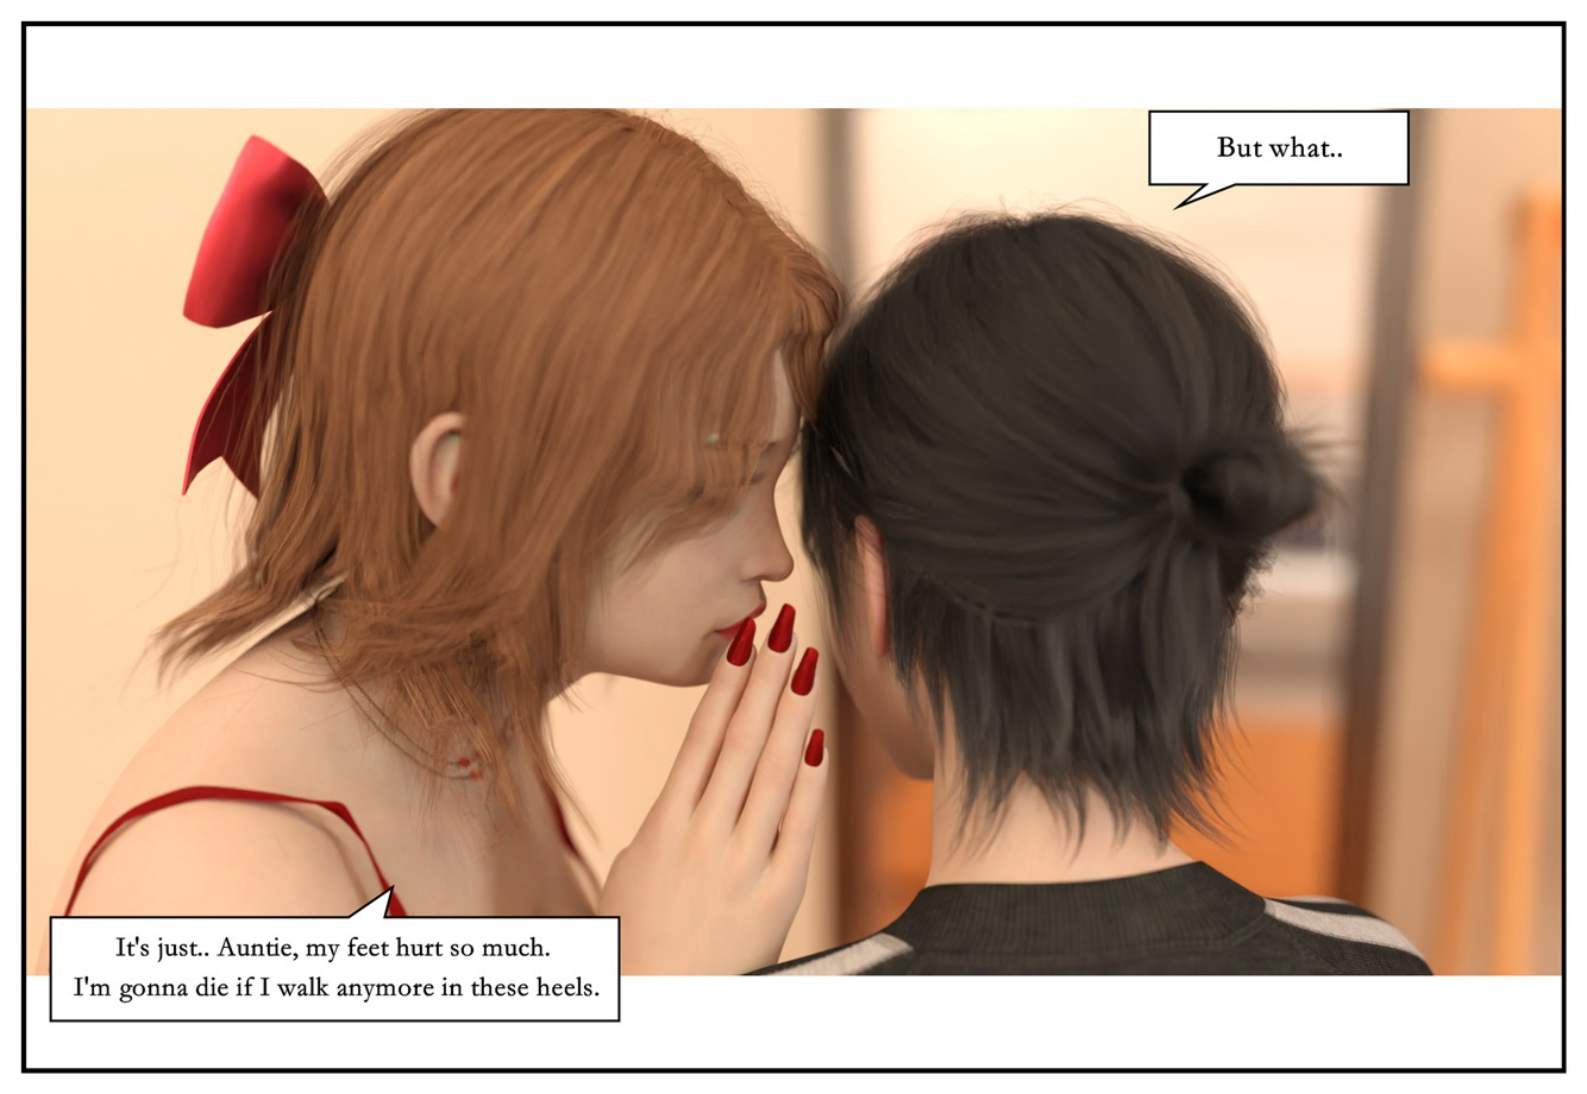

How is it? How do I look?

In front of her, Yi Xiao almost made her feel envious about his amazing look.

It looks perfect and goes well with the heels.

It looks good, but...

But what..

It's just.. Auntie, my feet hurt so much.
I'm gonna die if I walk anymore in these heels.

Fine, go and settle the clothing bill first,
and then I'll help you with the shoes.

A hallway with light-colored walls and vertical orange stripes. A black door is on the left. On the right wall, three high-heeled shoes are mounted. A mirror is on the right wall. A white text box is on the left.

Come on, take off your panty and give it to me.

A hallway with light-colored walls and vertical orange stripes. A black door is on the left. On the right wall, three high-heeled shoes are mounted. A mirror is on the right wall. A white text box is on the right.

Wait. Aren't you helping me with the shoes?

A scene in a fitting room. A person wearing a red dress and red high-heeled shoes is looking down at another person who is wearing a black tracksuit with white stripes on the sides and black and white sneakers. The person in the tracksuit is standing in front of a large mirror. The room has light-colored walls and a wooden door frame.

It's not gonna be appropriate for me to wear your heels in this outfit right?

Oh.. yeah you're right.

A woman in a red dress is sitting on a chair, looking towards the camera. In the foreground, the legs of another person wearing black and white striped pants and black shoes are visible. The scene is set in a room with orange curtains and a white wall.

Hiss, looking at my auntie taking off panty in front of me, somehow my dick is responding to you auntie..

Ah!?

**Pulling*

Hey, what are you doing? !
This is a shopping mall fitting room!

I'll help you with high heels in a moment.
For now can't you help your good nephew with
his physiological needs? my wonderful auntie.

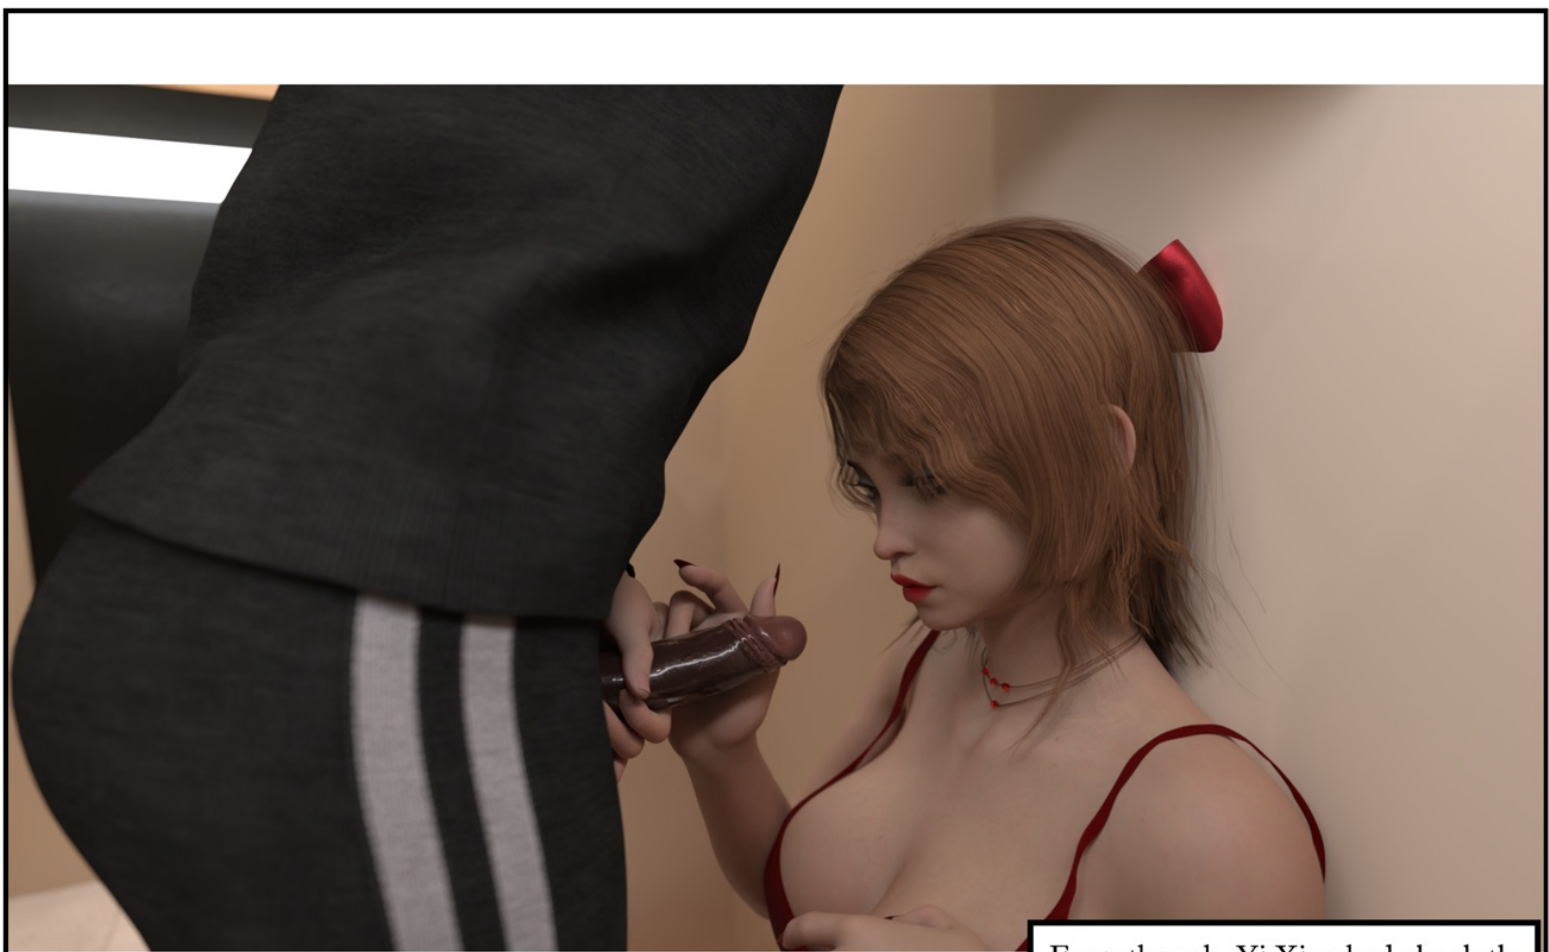

A woman with long, wavy brown hair and red lipstick is looking up at a person in a dark suit. She is wearing a red dress and has her hands near her chest. The person in the suit is holding a brown shoe. The scene is set in a room with a white door and a black cabinet.

No, please auntie..Maybe there're cameras here at somewhere.

Which store would install cameras in the dressing room? Don't worry, come on and lick it for me.

Yi Xiao knew that he had to give her a blow job right now. He knew Shen Zijin well, and usually no one could change the things she decided, except maybe his mother.

Even though, Yi Xiao had absolutely no idea on how to give blow jobs.

A close-up photograph of a woman with shoulder-length brown hair and bangs. She has light-colored eyes and is wearing bright red lipstick. She is holding a dark, cylindrical object with a large, translucent, reddish-brown lollipop head. She is looking down at the lollipop with a focused expression. She is wearing a red top and a gold ring on her finger. The background is a plain, light-colored wall.

As if she had read through his thoughts, Shen Zijin pushed his cock to his mouth as she spoke.

Grab it, open your mouth, lick it like a lollipop.

A close-up photograph of a woman with shoulder-length brown hair and bangs. She has light-colored eyes and is wearing red lipstick. She is holding a dark, phallic-shaped object in her mouth, which she is biting down on. Her hands are visible, holding the object, and she is wearing a gold ring on her left hand. She is wearing a red top. The background is a plain, light-colored wall.

Okay..

With no way to back out, he had no choice but to hold her cock and open his mouth like the AV actress in his memory.

Although the pleasure of a fake cock is not too strong, this condescending conquest made up for the lack of physical pleasure for her.

Ah.. So good..

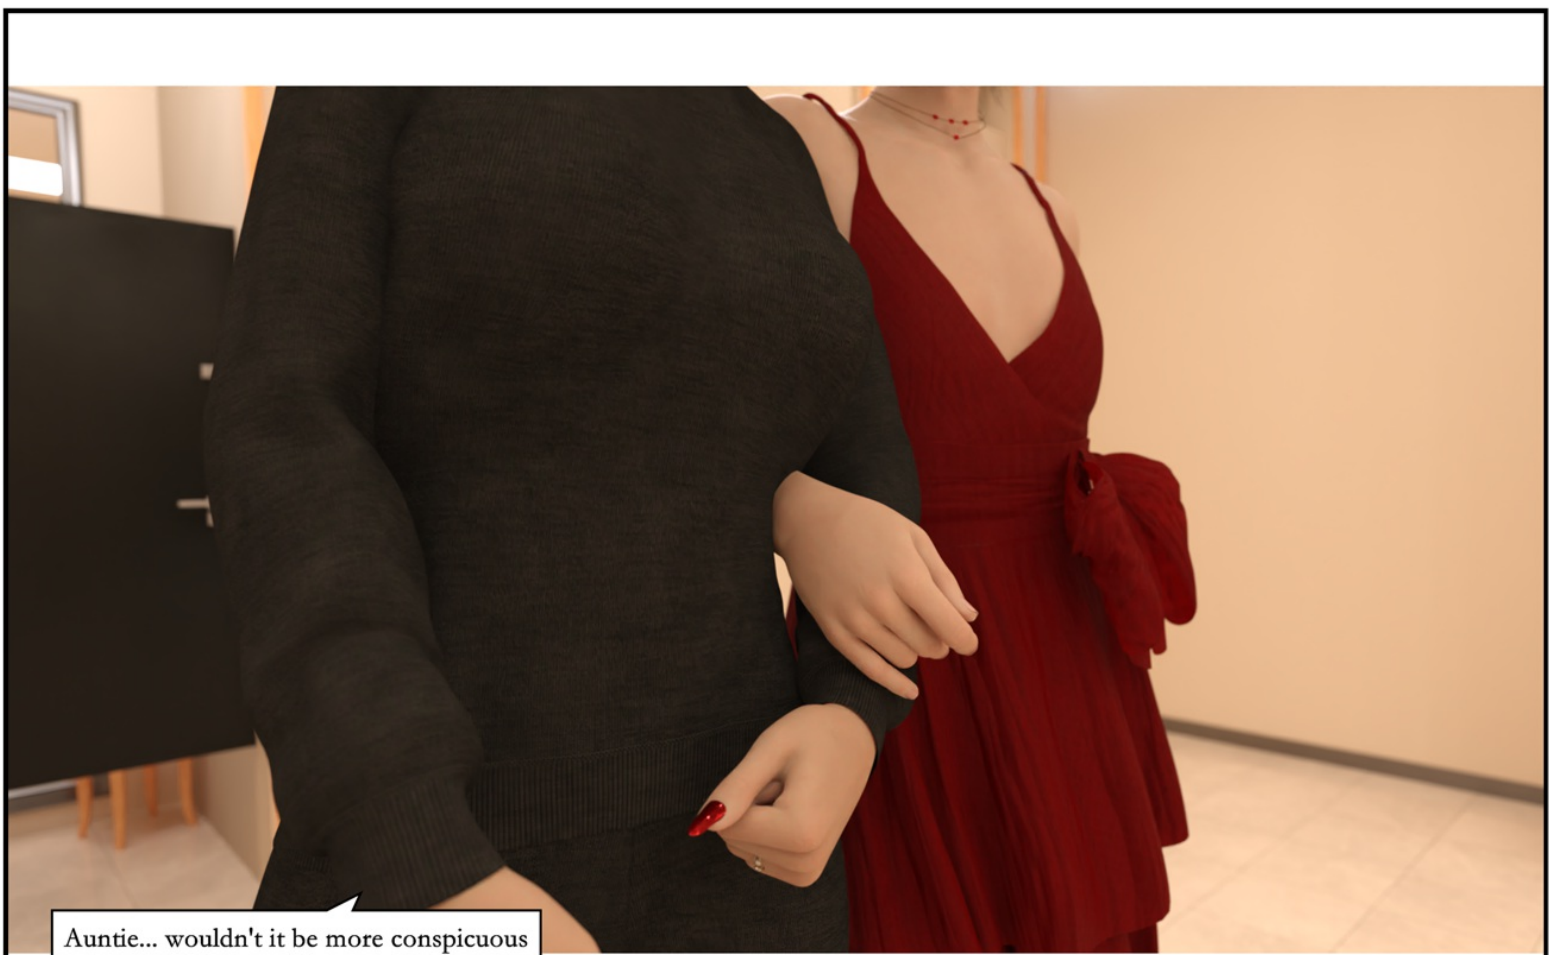

Yi Xiao looked at himself in the mirror, as a girl who is licking others' cock, his mentality had gone through some slight changes as well.

Maybe, I am really suitable to be a woman.
So he thought, and blew even harder.

Auntie... wouldn't it be more conspicuous on the way back like this?

What are you afraid of? Now it's obvious
that I'm the perverted nephew wearing
auntie's dress right?

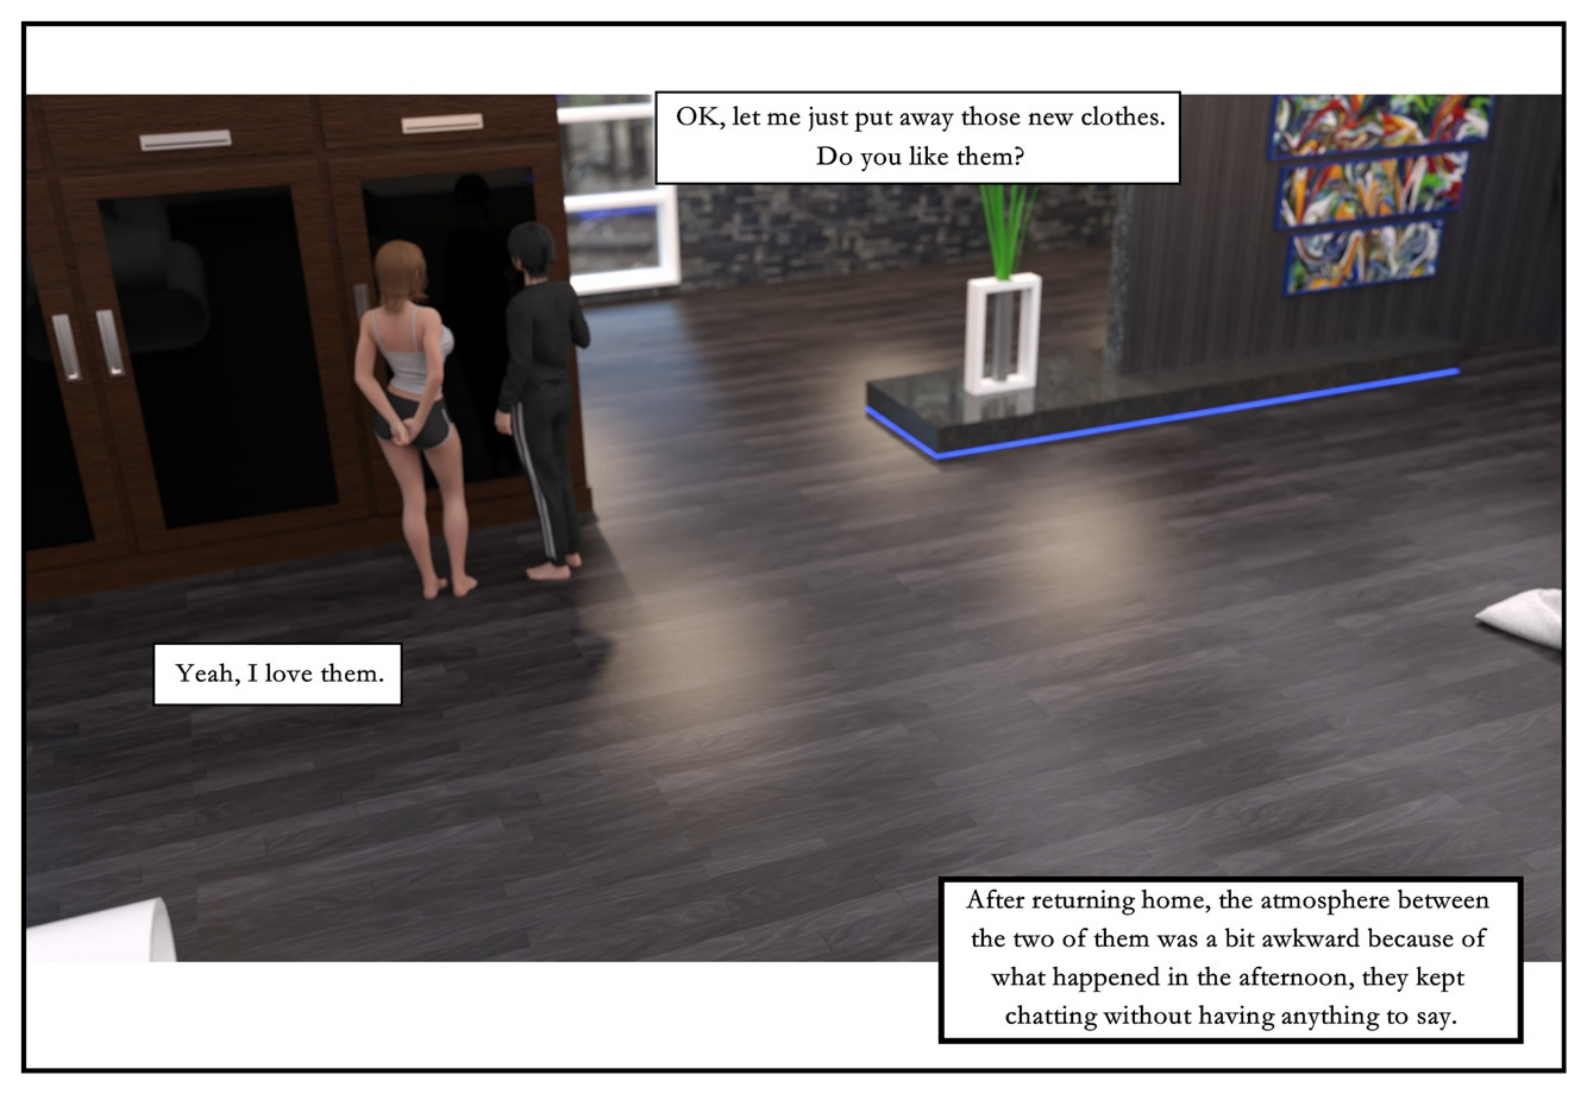

Okay...

Thank you for your purchases,
we look forward to seeing you again.

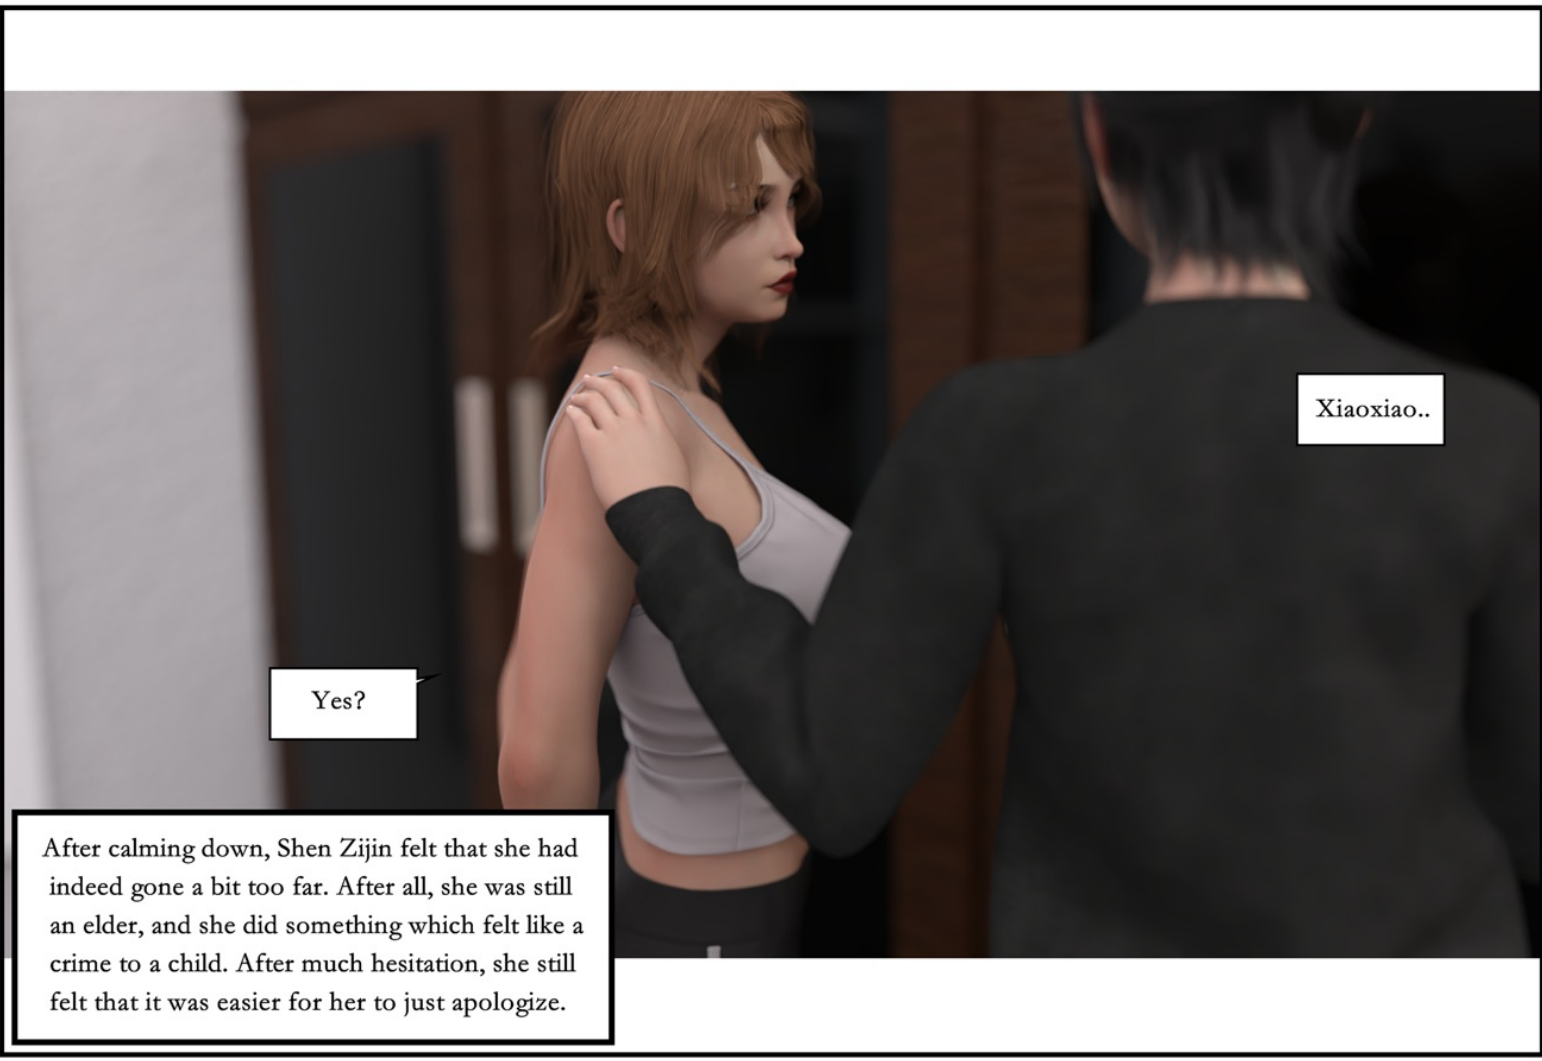

Wait aren't those two a bit differ from just now?

OK, let me just put away those new clothes.
Do you like them?

Yeah, I love them.

After returning home, the atmosphere between the two of them was a bit awkward because of what happened in the afternoon, they kept chatting without having anything to say.

Xiaoxiao..

Yes?

After calming down, Shen Zijin felt that she had indeed gone a bit too far. After all, she was still an elder, and she did something which felt like a crime to a child. After much hesitation, she still felt that it was easier for her to just apologize.

See.. I want to apologize to you. It was me went too far back there. I shouldn't have asked you to do that.. I should not have let you to do that kind of thing.

If you don't want to play around with me anymore, you can just take off those things.

No, auntie, I think it's quite fun actually.

Really? Xiaoxiao.. Even if auntie has done such an outrageous thing, you are still willing to continue?

Acutally it was... It was quite exciting.

O...!

Hearing Yi Xiao's answer, Shen Zijin immediately understood his thoughts, so she no longer suppressed her inner impulse and kissed him.

Feeling Shen Zijin's tongue stirring in his mouth, Yi Xiao quickly gave up resistance and allowed the pleasure to spread throughout his body, responding to Shen Zijin.

Finally, the two of them broke through the final bottom line and kissed from the room to the bed.

Don't stop, keep taking them off.

Ah.. but I've took all of my clothes off..

You want to do it with that vagina panty on?
Go take it off, auntie gonna give some real pleasure.

See~ Feeling better already right?

Just Yi Xiao thought that with these prosthetic breasts, he must have been like a shemale who had undergone breast augmentation surgery.

Yeah.

What a beautiful cock, but I think it would fit better if it's attached to me.

How about it? Does this make you
feel like you are being fucked by me?

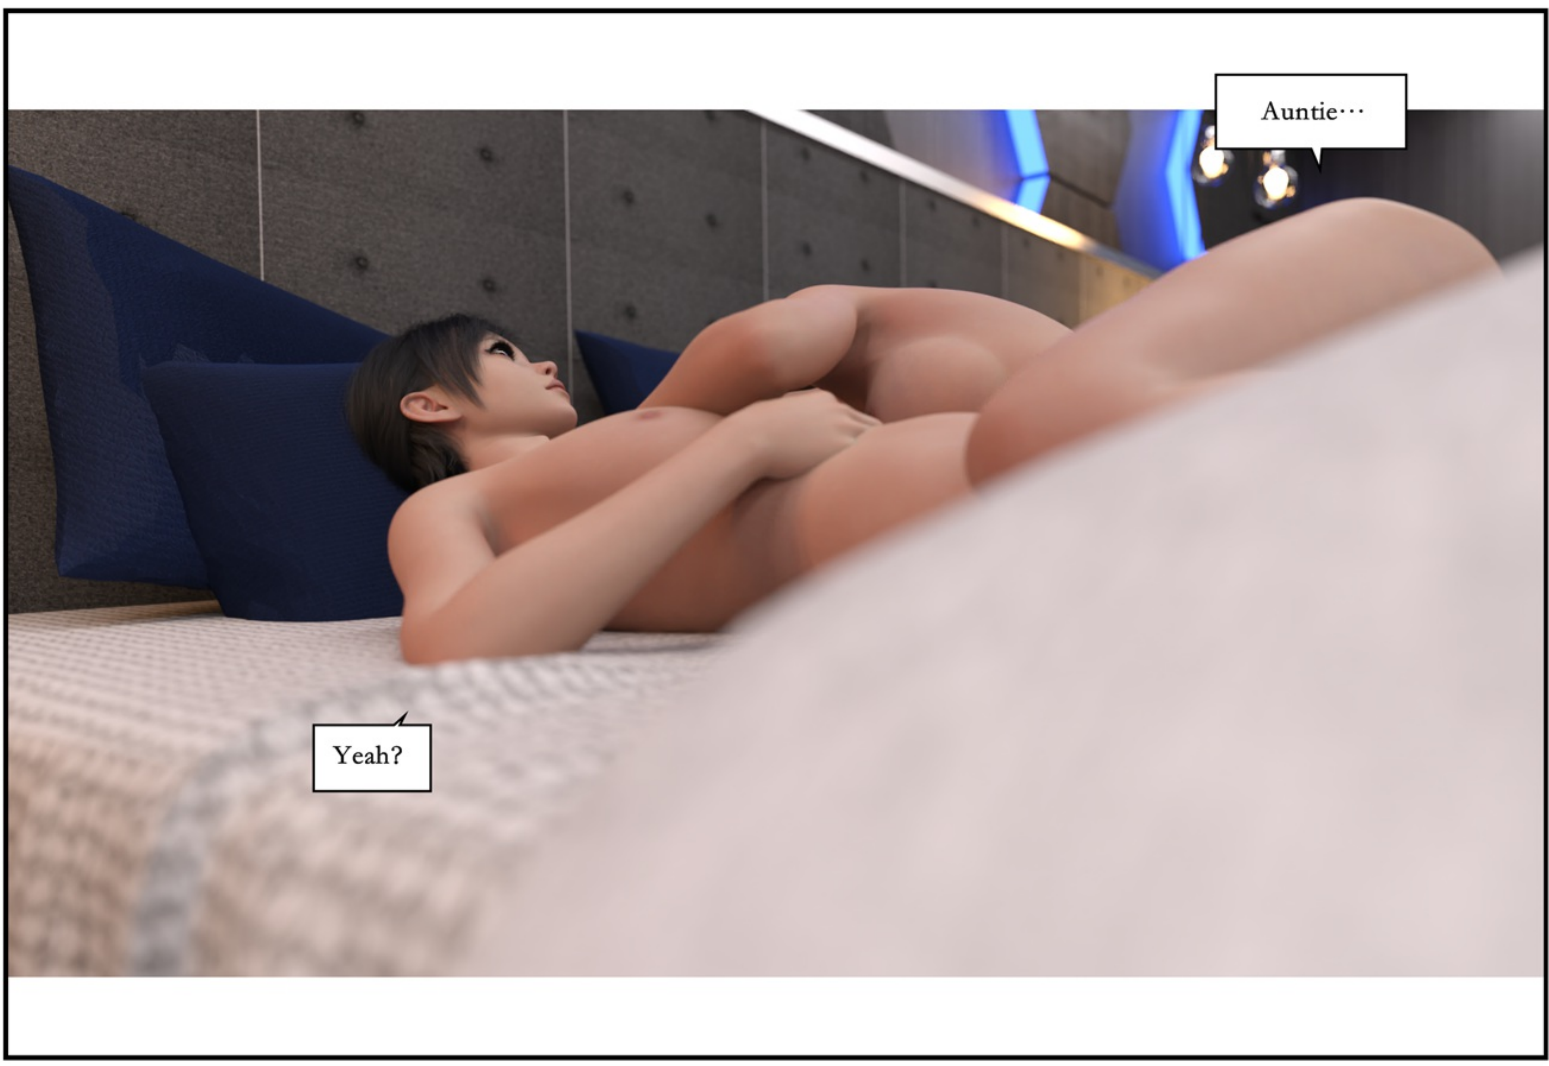

Does my cock feel good?

Haha 🍆 , Yes~❤️

In this posture that he had never seen before, Yi Xiao felt as if he had completed the transformation from boy to man, or maybe also from boy to woman.

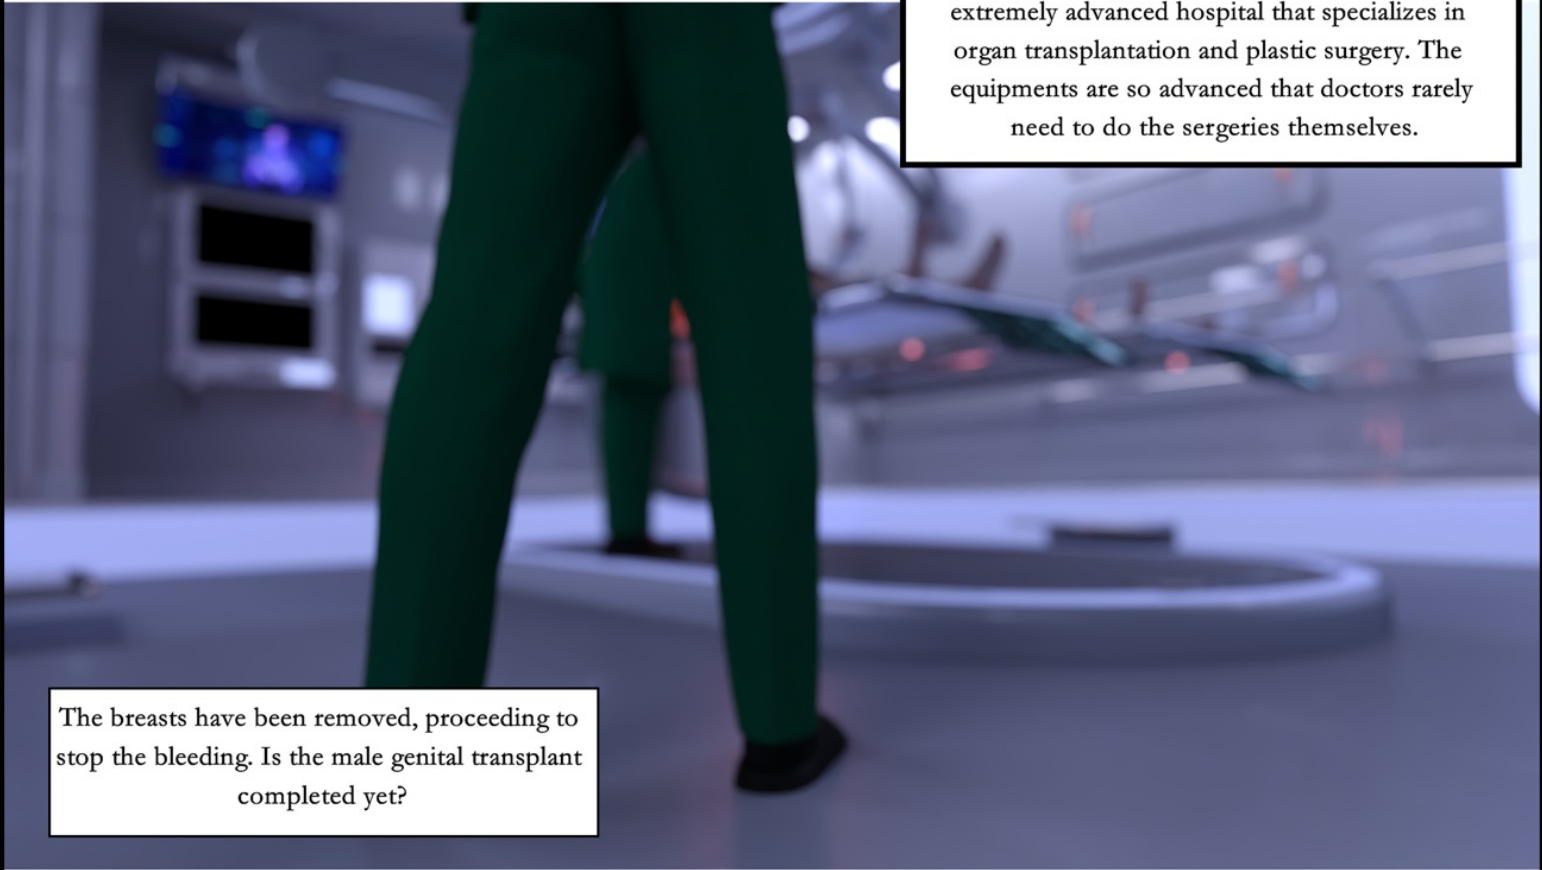

Auntie...

Yeah?

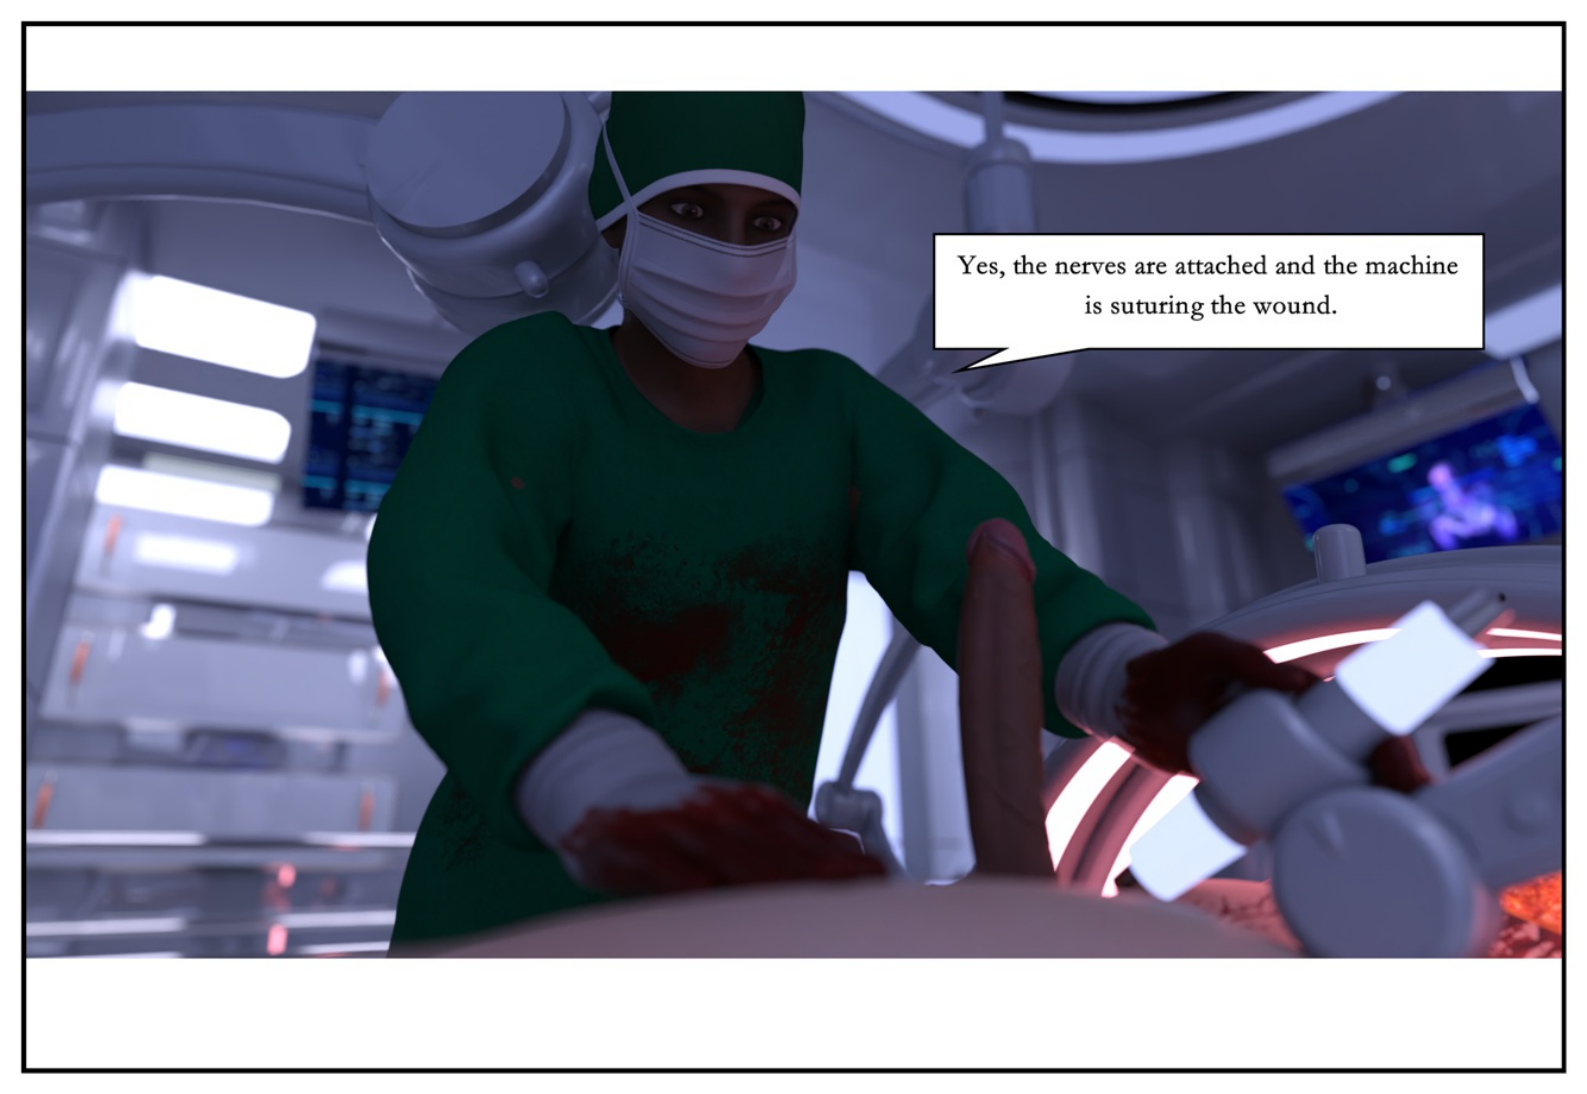

Is it possible for us to become each other completely?

It's ok, I know what to do next, I'll arrange it.

A person wearing green scrubs is walking in a hospital setting. The background is blurred, showing medical equipment and a bright light source. The person is in the foreground, and their legs and feet are visible. They are wearing black shoes. The overall scene is dimly lit with a blueish tint.

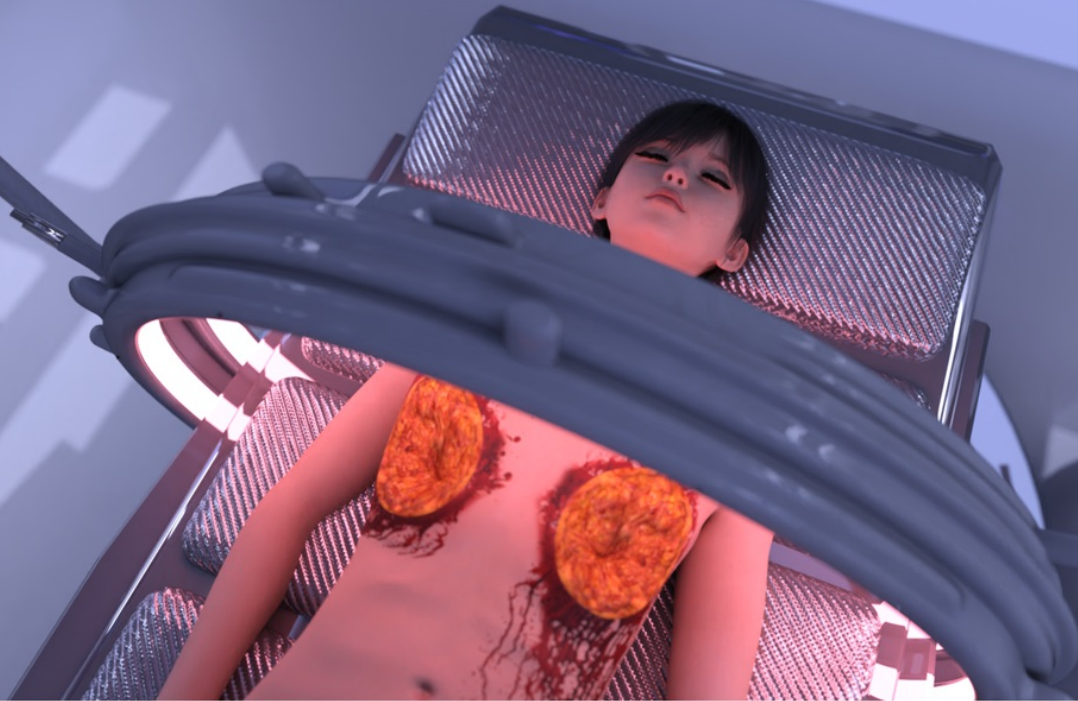

The surgery was quickly scheduled at an extremely advanced hospital that specializes in organ transplantation and plastic surgery. The equipments are so advanced that doctors rarely need to do the sergeries themselves.

The breasts have been removed, proceeding to stop the bleeding. Is the male genital transplant completed yet?

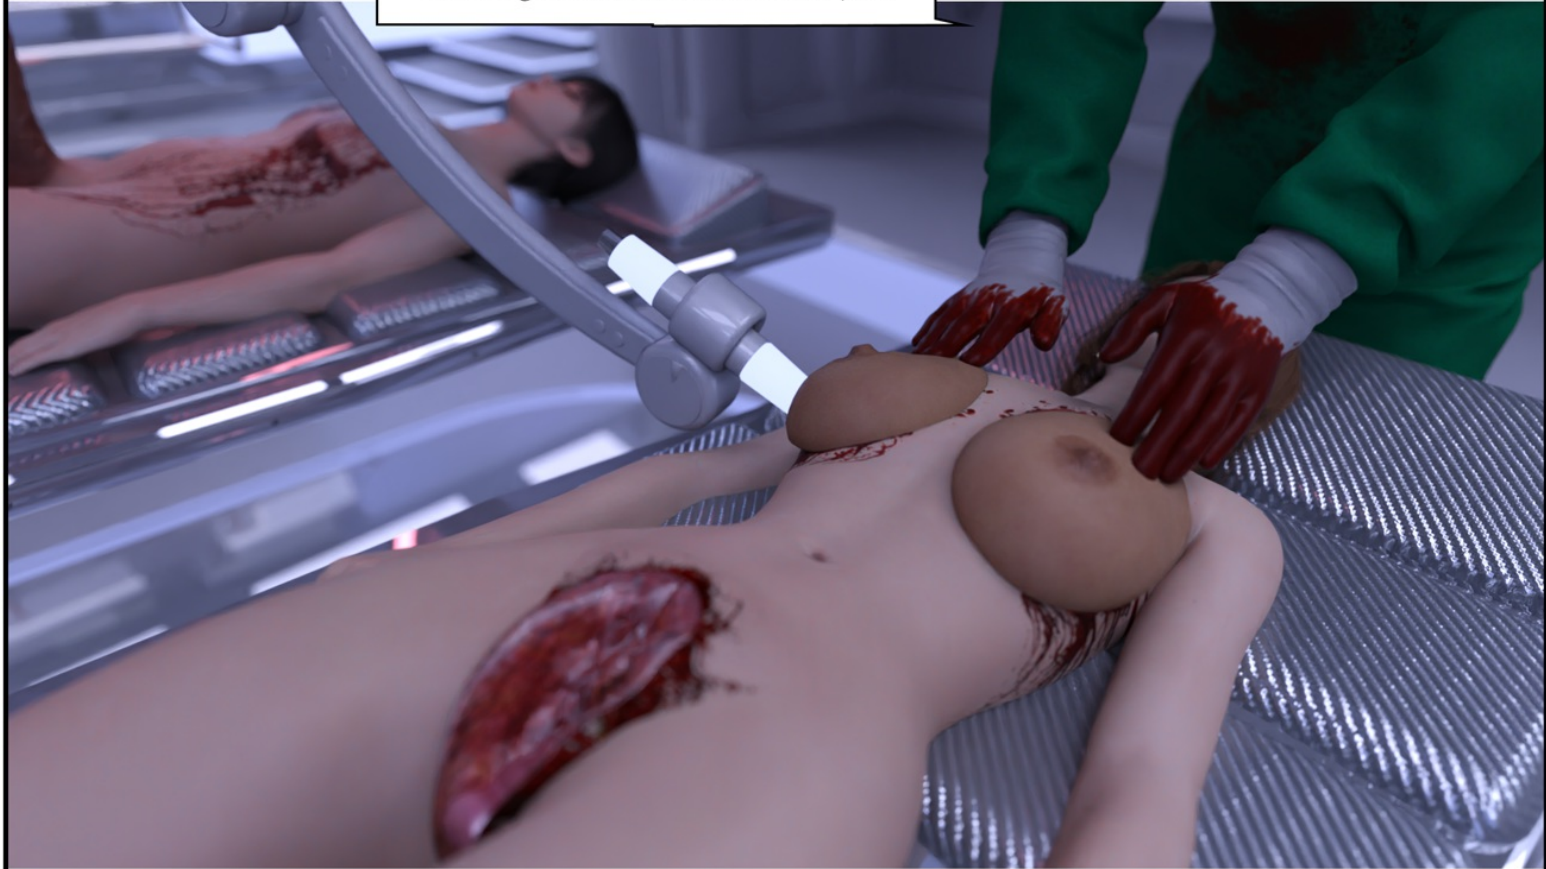

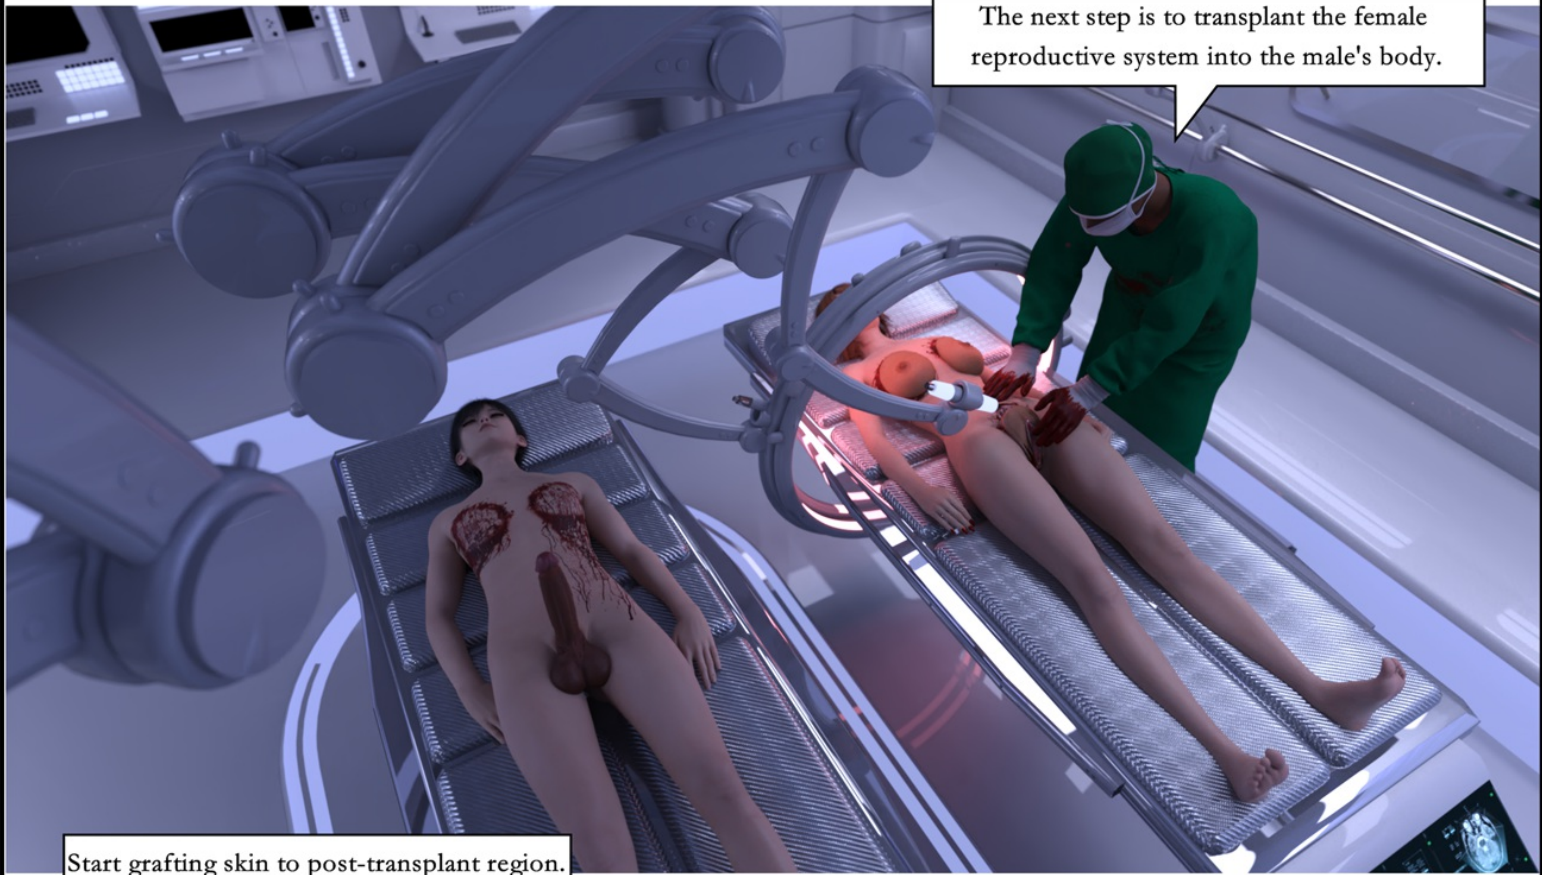

Yes, the nerves are attached and the machine is suturing the wound.

Start repairing the skin tissue of female subject now.

Attaching the breasts to the male subject.

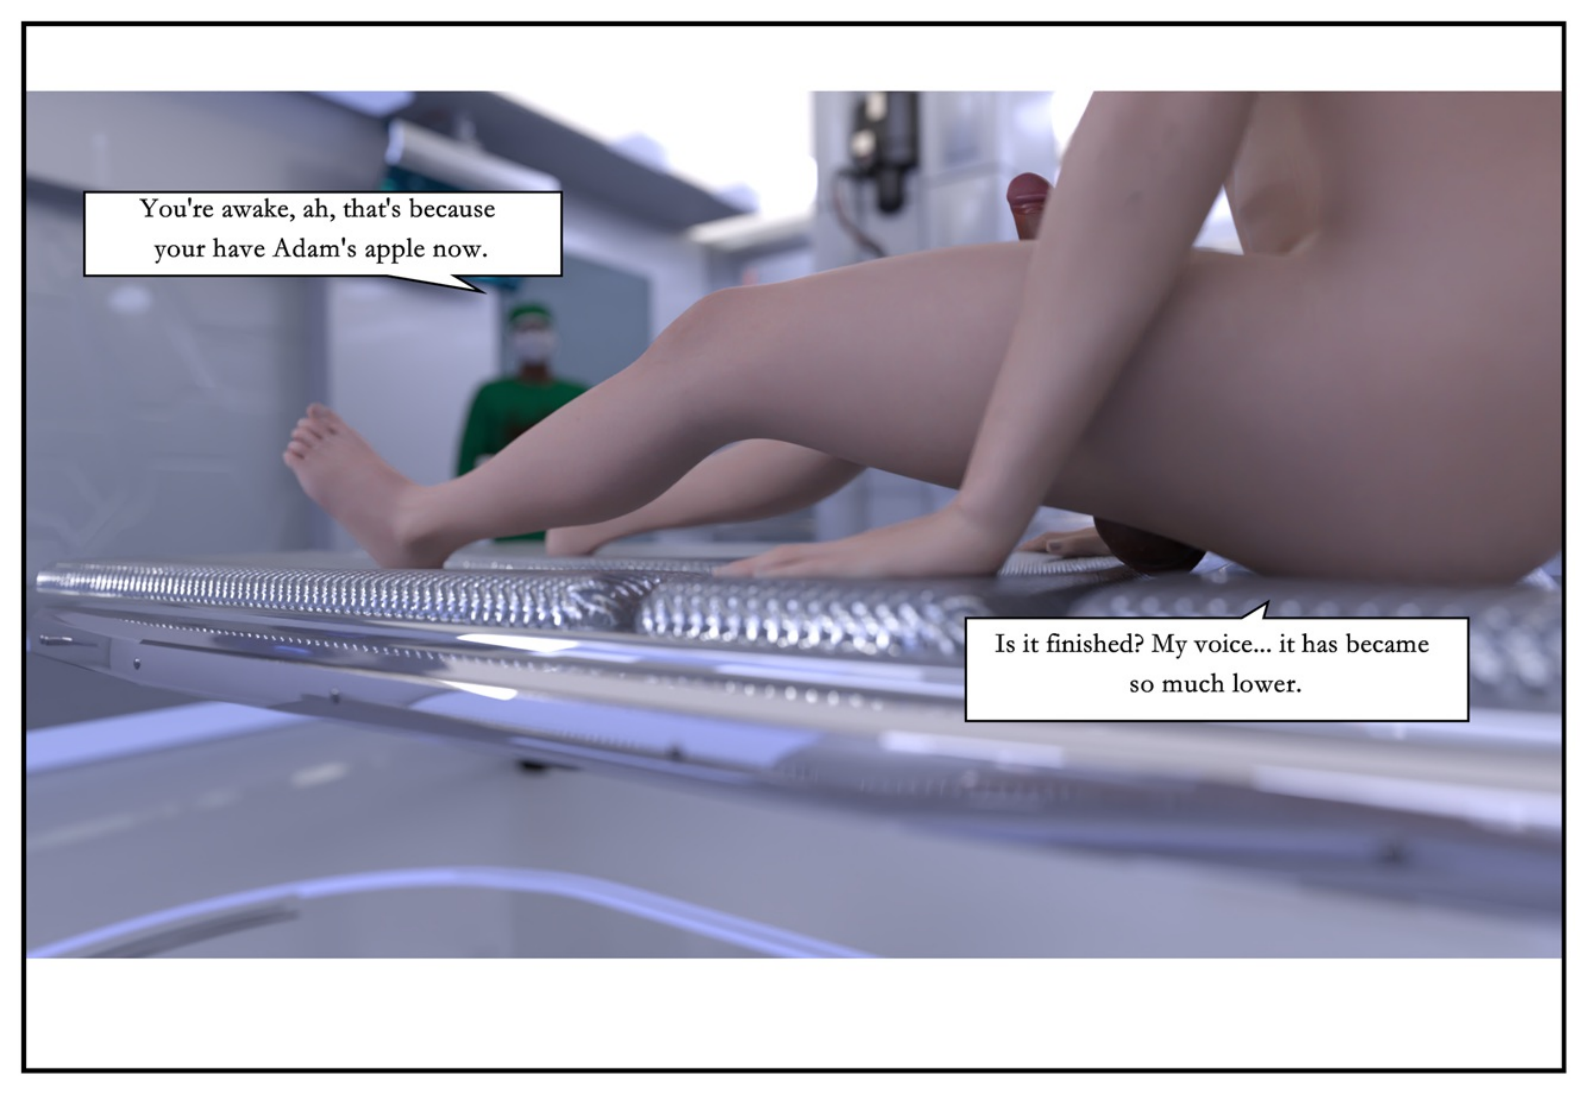

The next step is to transplant the female reproductive system into the male's body.

Start grafting skin to post-transplant region.

A futuristic medical laboratory with a patient on a table and a robotic arm. The patient is lying on a table, and a robotic arm is positioned over their head. The room is filled with medical equipment, including monitors and a person in a green uniform in the background. The lighting is blue and white, creating a sterile and high-tech atmosphere.

The transplant surgeries are completed.
Proceeding to the next stage, the plastic
surgeries for both of the subjects with each
others' face as target state.

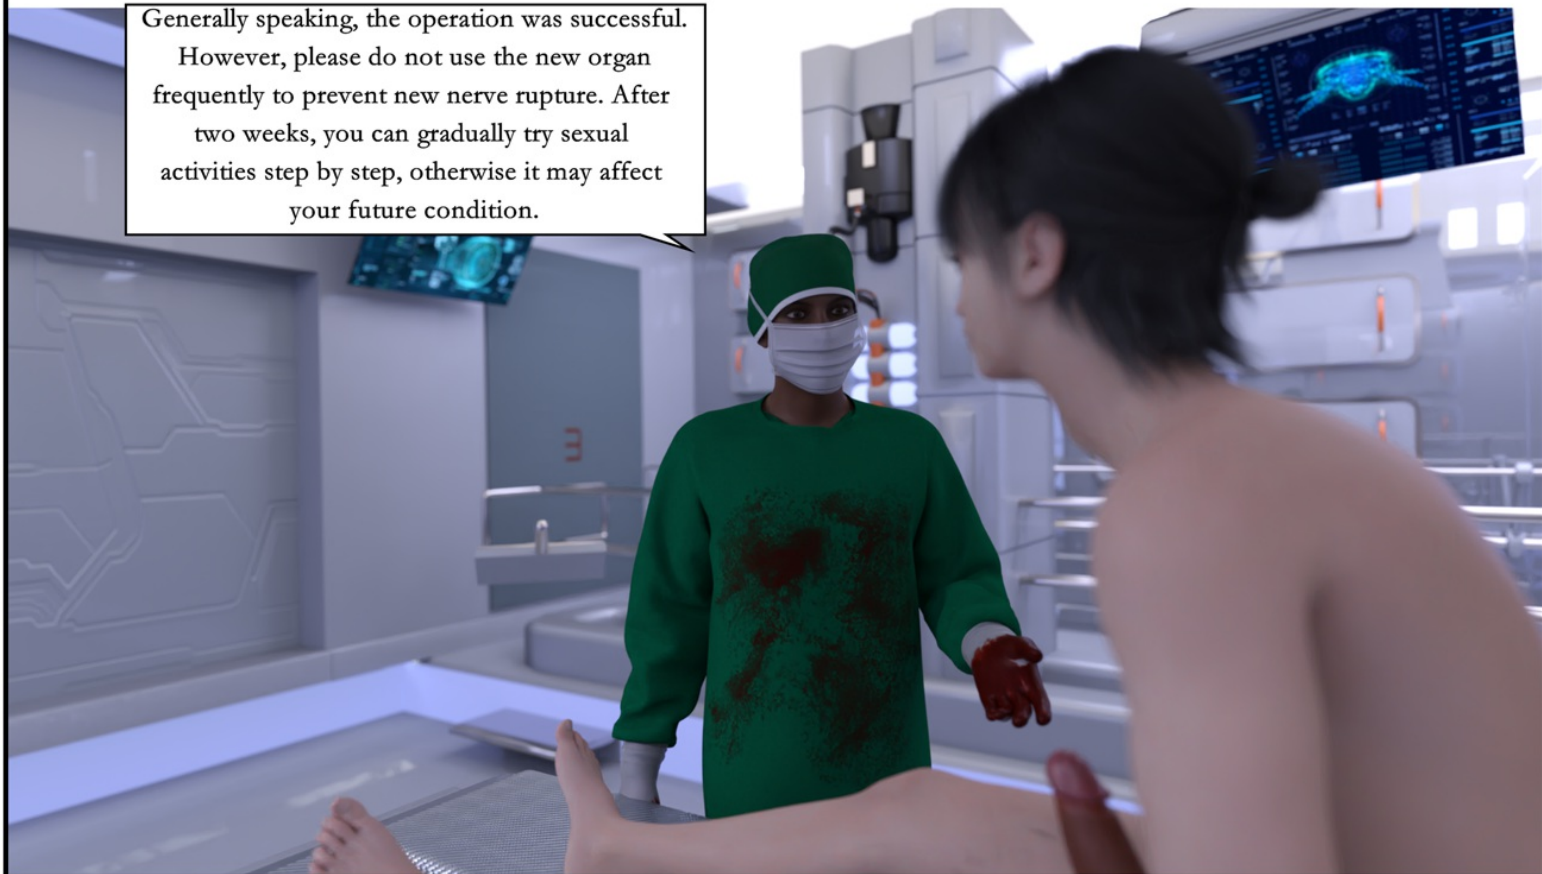

A woman is lying on a medical table in a hospital setting. She is positioned on her side, with her legs extended. The table has a textured, metallic surface. In the background, a medical professional in a green scrub suit and mask is visible, standing near the head of the table. The scene is brightly lit, typical of a clinical environment.

You're awake, ah, that's because
your have Adam's apple now.

Is it finished? My voice... it has become
so much lower.

Generally speaking, the operation was successful.

However, please do not use the new organ frequently to prevent new nerve rupture. After two weeks, you can gradually try sexual activities step by step, otherwise it may affect your future condition.

It feels so swollen, so is this what a cock really feels like? Xiaoxiao's cock has become mine. No, this is still Yi Xiao's cock, but from now on I will be Yi Xiao.

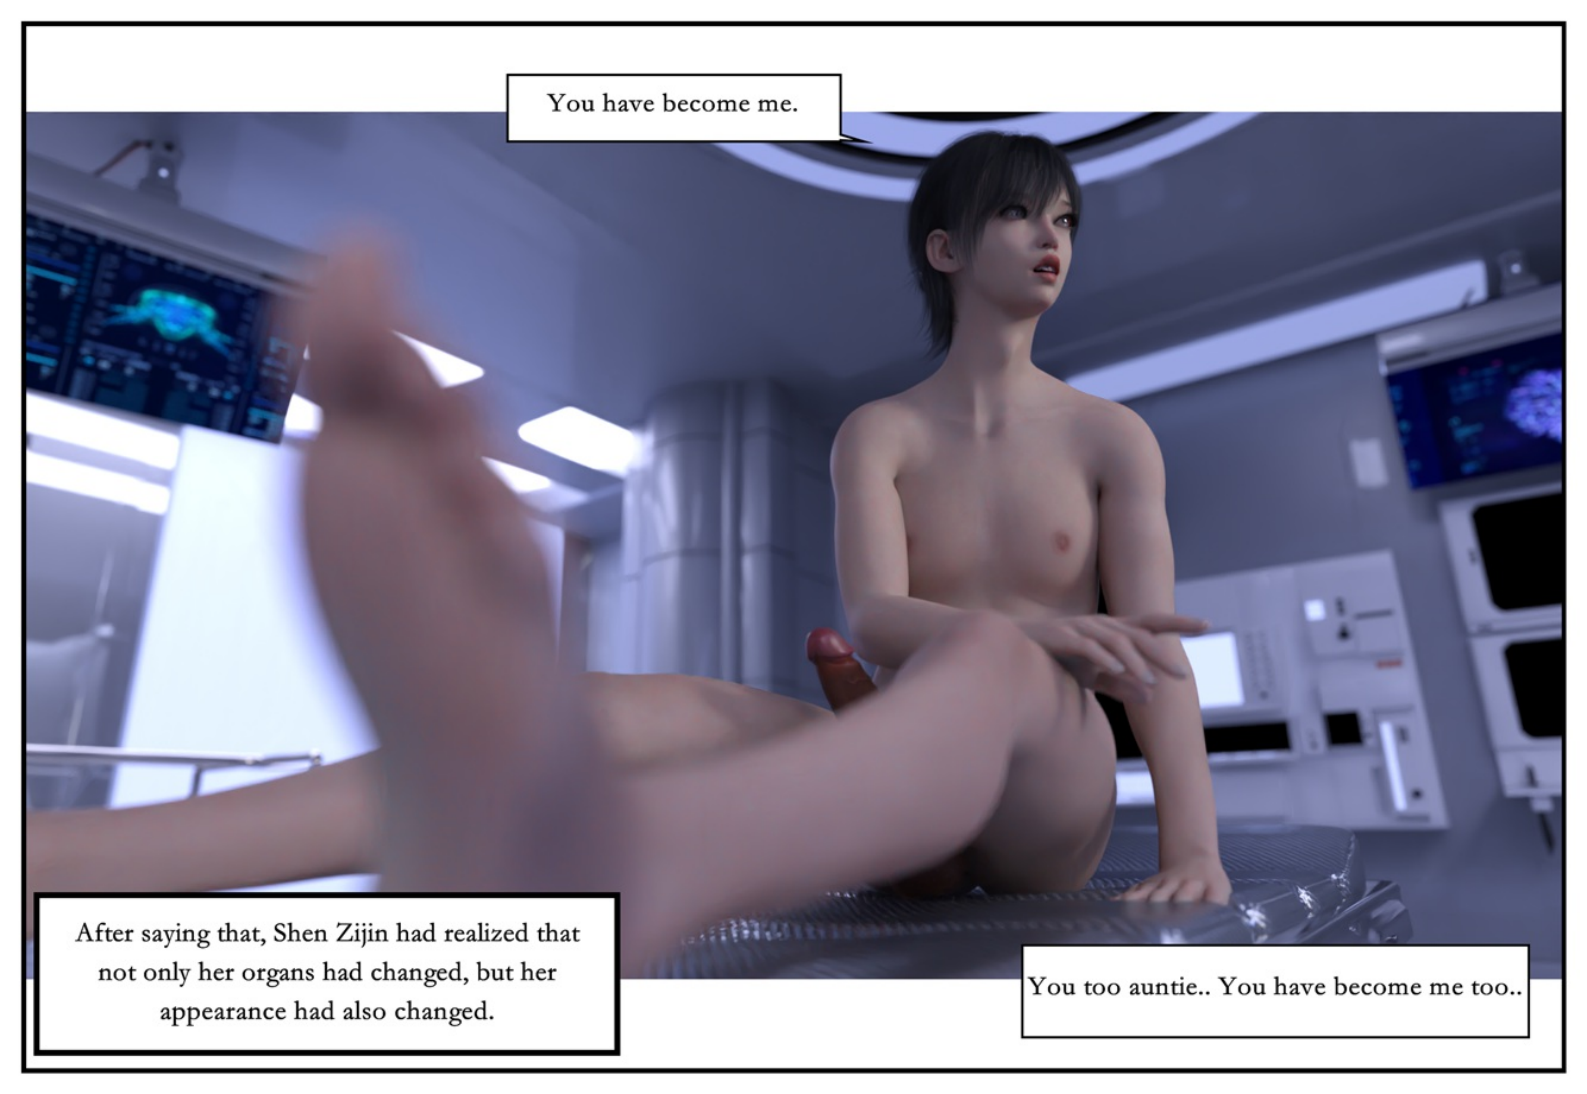

A futuristic laboratory or medical facility. A woman with short black hair is sitting on a metal table, looking towards the left. She has a small red mark on her right knee. In the foreground, the back of a person with reddish-brown hair is visible. The room has blue lighting, a monitor displaying a blue figure, and various medical equipment.

Auntie..?

Xiaoxiao, you are awake too..
Wow, look at your face.

A woman with short dark hair is sitting on a table in a futuristic medical room. She is looking towards the camera with a slight smile. The room has blue lighting and several monitors displaying medical data. A hand is visible in the foreground, reaching towards her.

You have become me.

After saying that, Shen Zijin had realized that not only her organs had changed, but her appearance had also changed.

You too auntie.. You have become me too..

Oh, auntie, the breasts are so heavy, I can't even control my balance now.

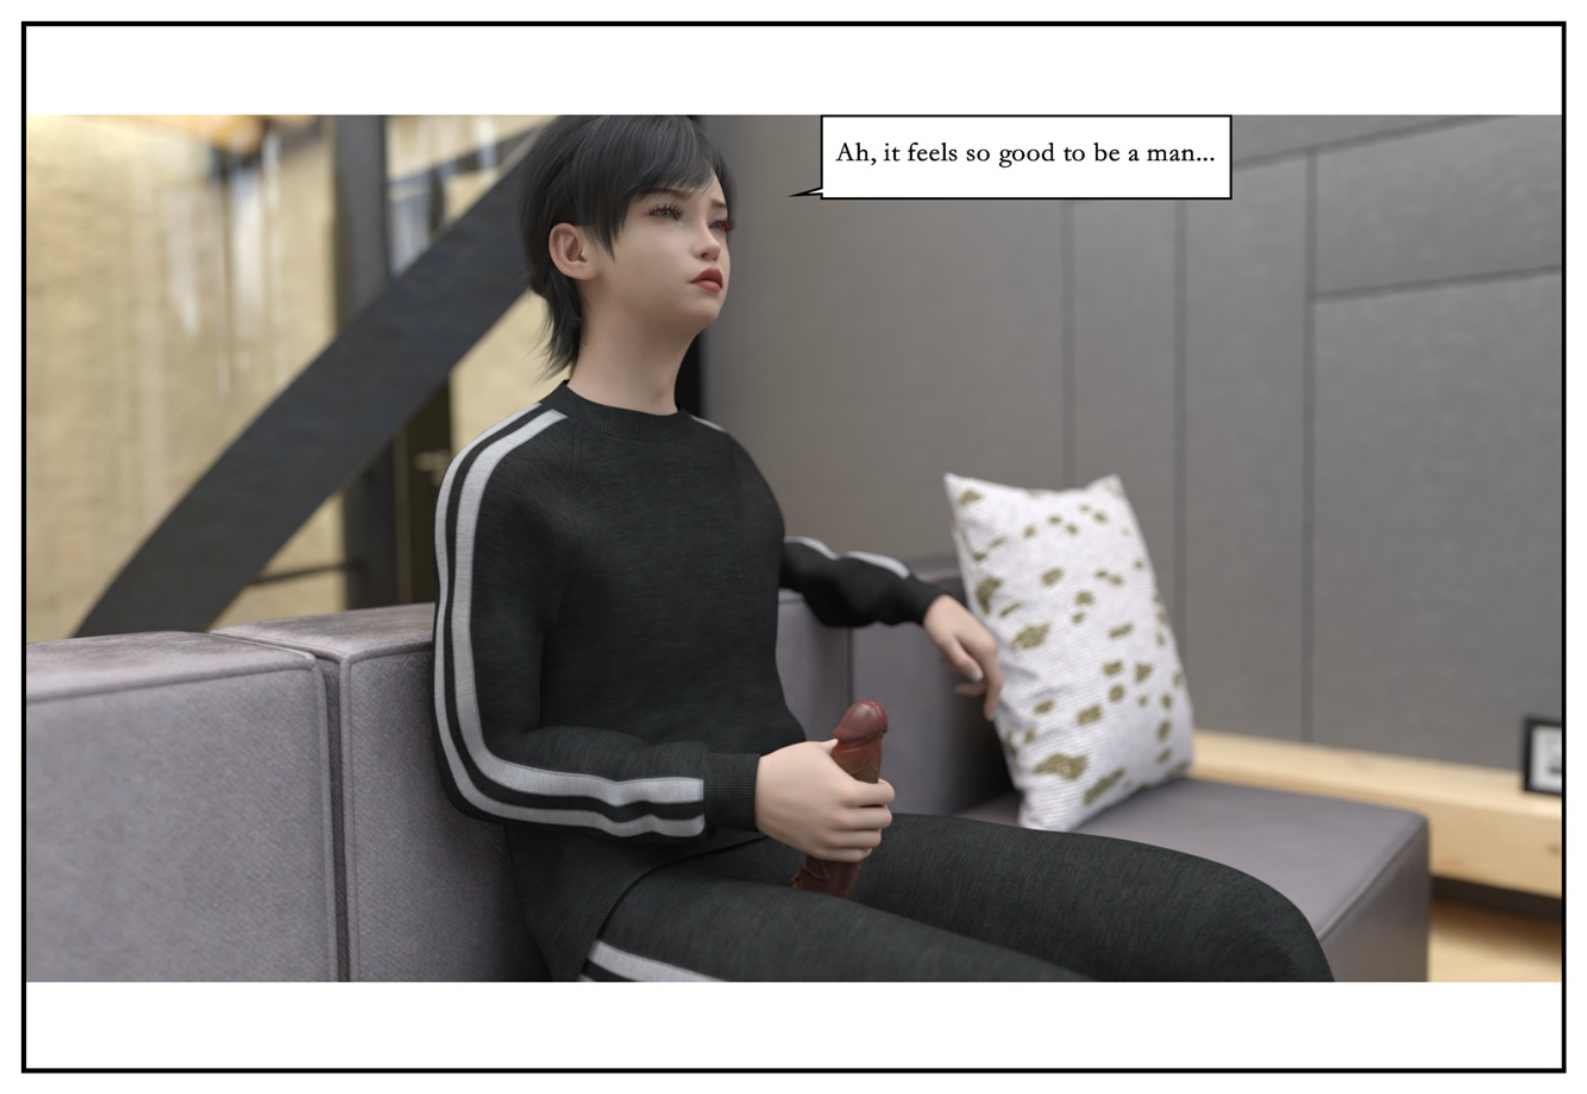

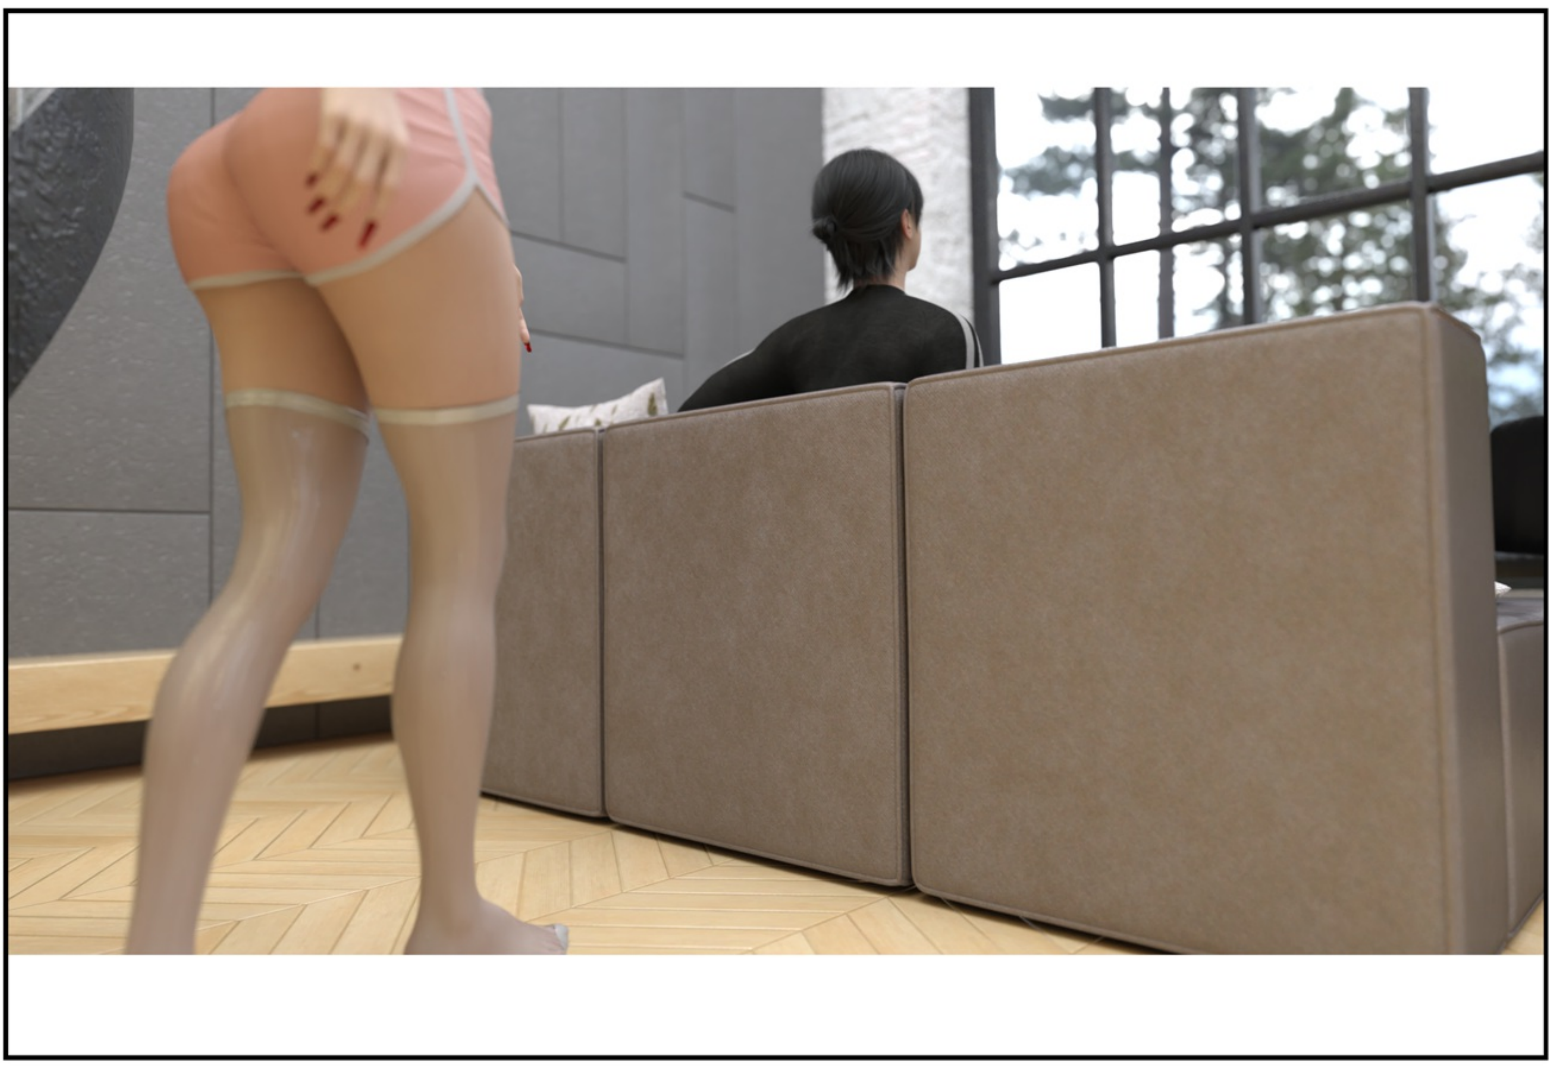

Come on put on your clothes. Let's go home first.

After the surgery, their new transplants recovered well, and both of them spent their daily time learning all the necessary skills and information they need to become each other. Soon after that, they adapted to their new identities perfectly.

A woman with short black hair is sitting on a grey sofa. She is wearing a black long-sleeved top with white stripes on the sleeves and black leggings. She is holding a red object in her hands. A speech bubble above her contains the text "Ah, it feels so good to be a man...". The background shows a modern interior with a grey wall and a white pillow with gold spots.

Ah, it feels so good to be a man...

Xiaoxiao, are you playing with you cock again..
Didn't the doctor say not to use it too
frequently after the surgery?

Auntie..You scared me.. It's just some light masturbation it's totally okay..

Have you got your things packed? Your mother will come to pick you up soon. Are you ready to meet her as her son?

Yeah, I'm ready.

Alright sweetie. Get along well with your mother after you're home okay?

Still hard yeah? You kids really have some strongest desire am I right? Come on let me help you with that.

Don't rub my glans like that auntie, my glans is very sensitive.
It's not like you don't know that.

So my little cutie, do you want your auntie
to use her mouth or her feet ♡

Okay, I know you like your auntie's blow job. I know that you felt nothing last time in that mall. I show you how it's like to have some out of the world blow job this time.

So, are you satisfied with my cock?
It's big, thick, quite beautiful in appearance.

Or auntie prefers to have it like this?

No, auntie. I'm going to cum.

A close-up shot of a woman with short brown hair, wearing a white tank top and red earrings. She is leaning forward, coughing up a large, clear, stringy mass of phlegm. She is holding the mass in her hand, which has red-painted nails. The background is a blurred indoor setting with warm lighting.

Cough That's a lot..

Look at the mess you've just made in my mouth. But it seems that your new penis is healthy and strong. It's your turn to let me have some too after you come back from the summer vacation.

After Shen Zijin left as Yi Xiao, Yi Xiao had finally become his aunt. While experiencing the boredom as a housewife, Yi Xiao also felt his body gradually become sexy and plump under the influence of female hormones which made he fell full of expectations for life.

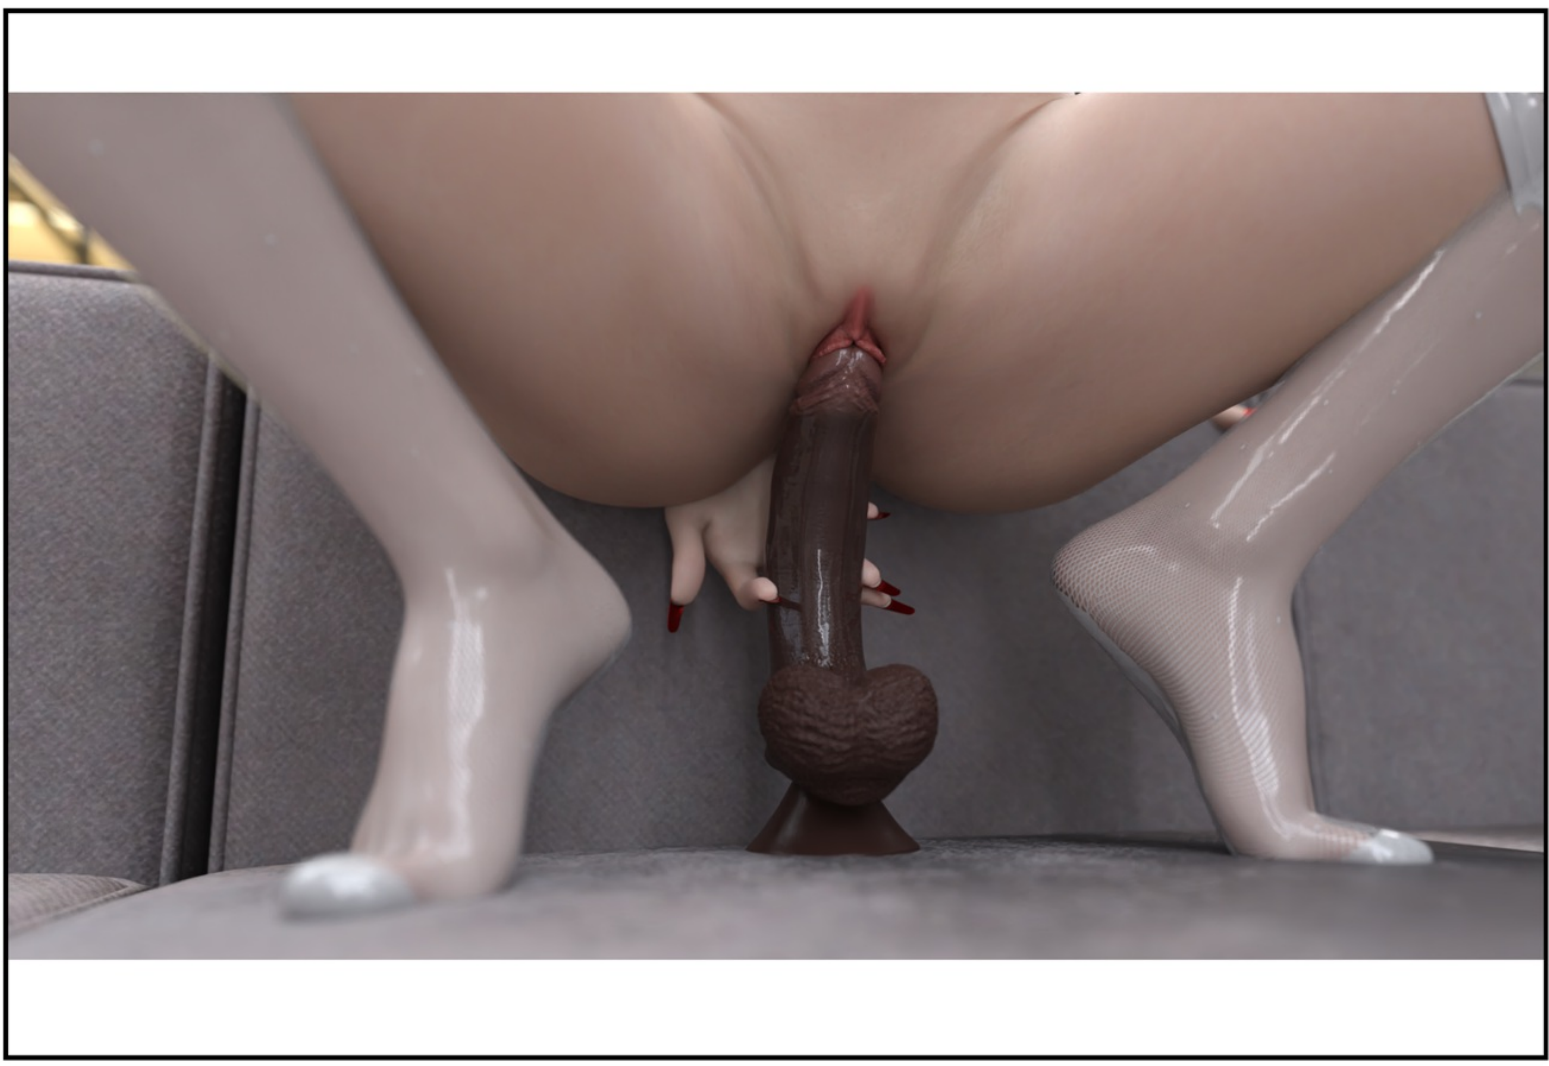

Besides, she has a more important task, which is to restore her transplants to their pre-operative condition so that she can welcome her nephew back later.

A bit too thick but that's ok right?

A 3D rendered woman with brown hair styled in a bun, wearing a white spaghetti-strap top and red beaded earrings. She has a thoughtful expression. A speech bubble is positioned above her head.

Hmm~♥ah~♥

Ah~♥Xiaoxiao, your cock is so thick,
it fills your auntie up so much♥

Now Yi Xiao can finally legitimately
play the role of Shen Zijin.

AAhhh♥♥Is that the feeling of girl's climax?~

♥ Ahhhhhh ♥

On the other hand, Shen Zijin returned home to her sister, while completely treated herself like a male college student and started to flirt with girls online every day.

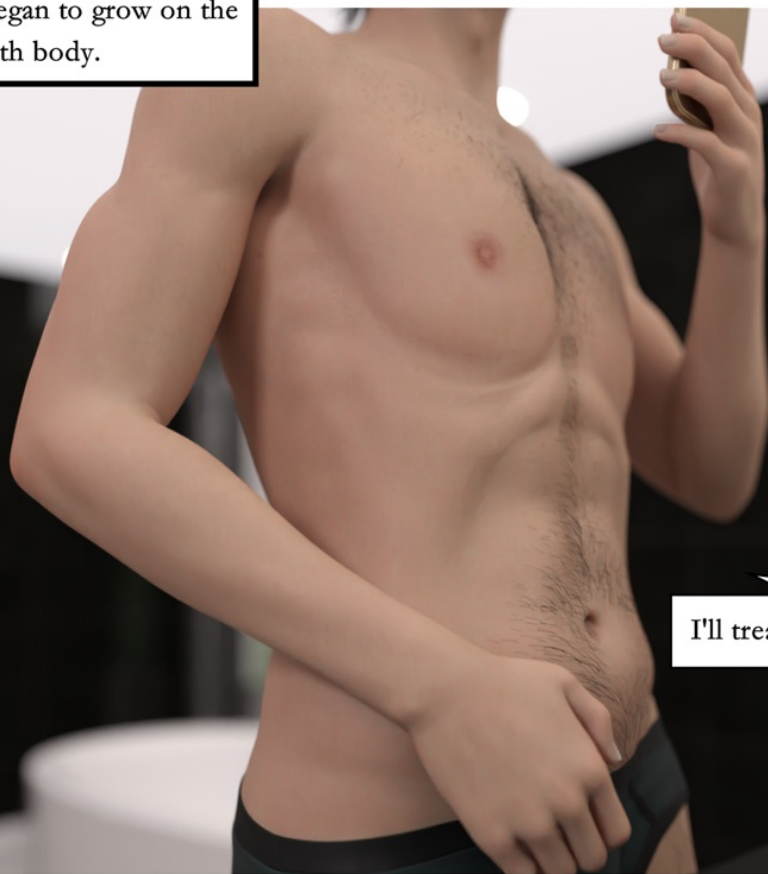

As a woman, or at least a former woman, she was well aware of the attraction of a perfect figure to women. So she went to the gym often to exercise. With the blessing of testosterone, her body's muscle mass grew much larger than before. .

So how about it, my love. Don't you think my abs are super handsome?

However, due to the increase in androgens levels, body hair also began to grow on the once smooth body.

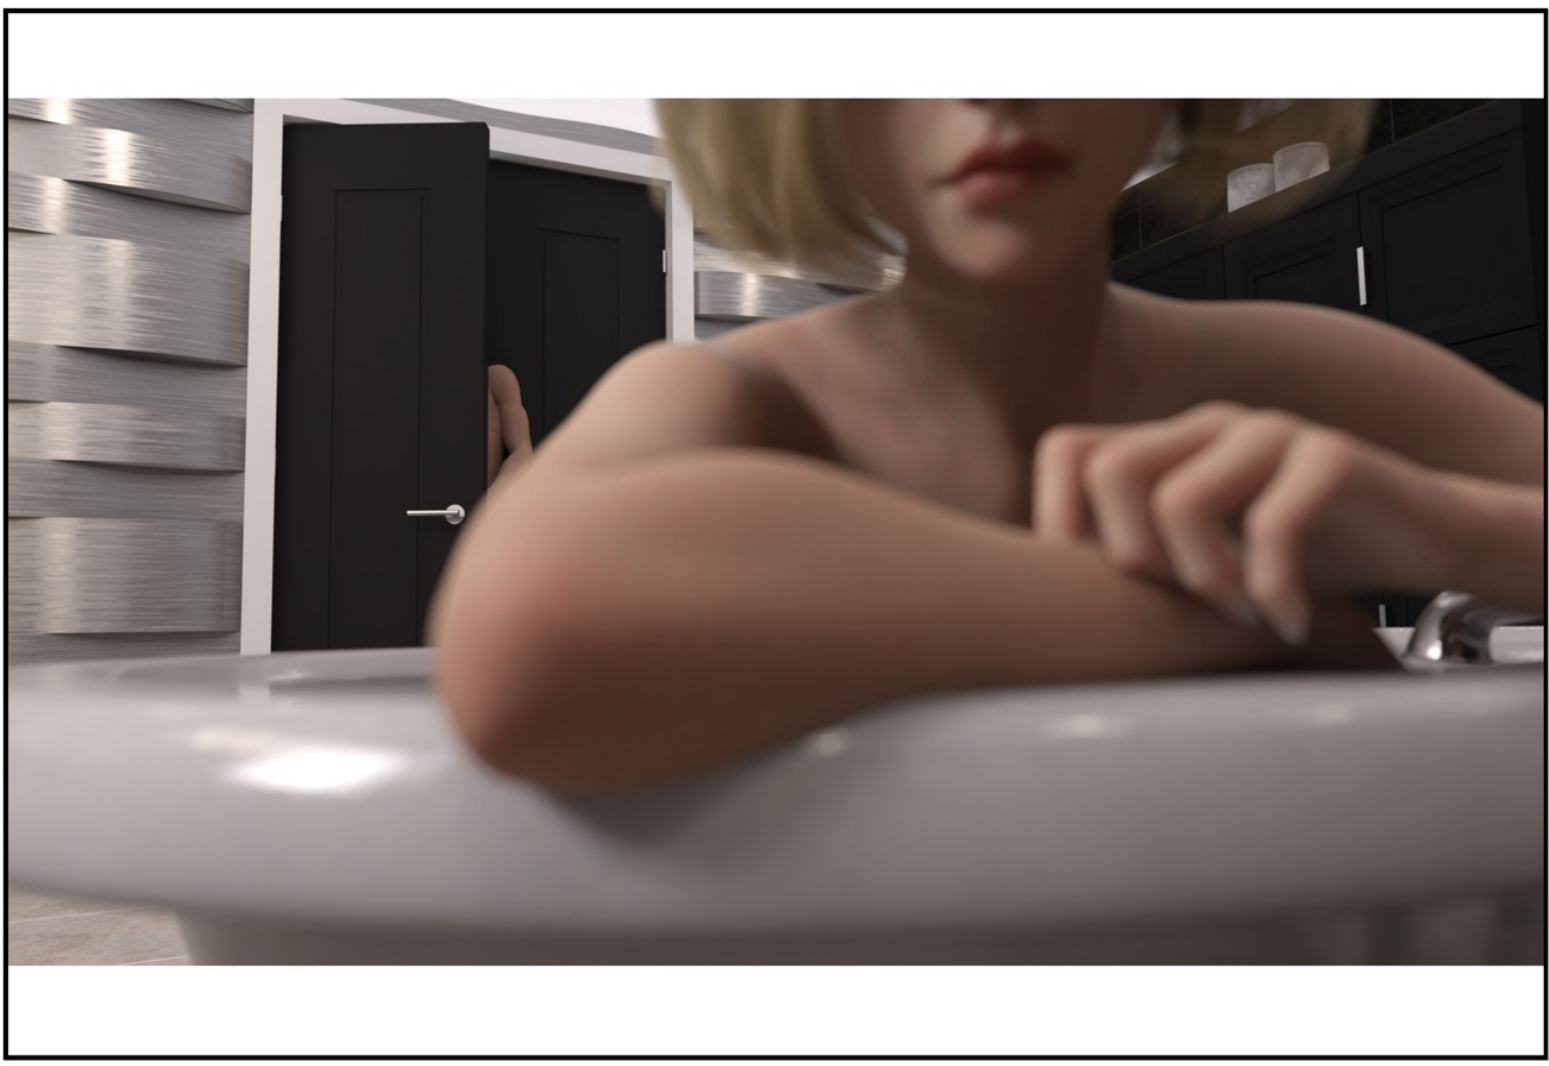

I'll treat you to dinner when school starts.

The beard grows so fast, I think I'm gonna shave it again. Being a boy also has its troubles isn't it.

But besides that, Shen Zijin actually still had one more unfulfilled wish.

Ah, mom, I didn' t know you were bathing, I...

A 3D rendered scene set in a modern bathroom. In the foreground, the back and buttocks of a man wearing black briefs are visible. In the middle ground, a woman with short blonde hair is sitting in a white clawfoot bathtub, looking back over her shoulder. A speech bubble above her contains the text "Come and bath with mom." The background features dark grey tiled walls, a shower area, and two tall potted plants.

Come and bath with mom.

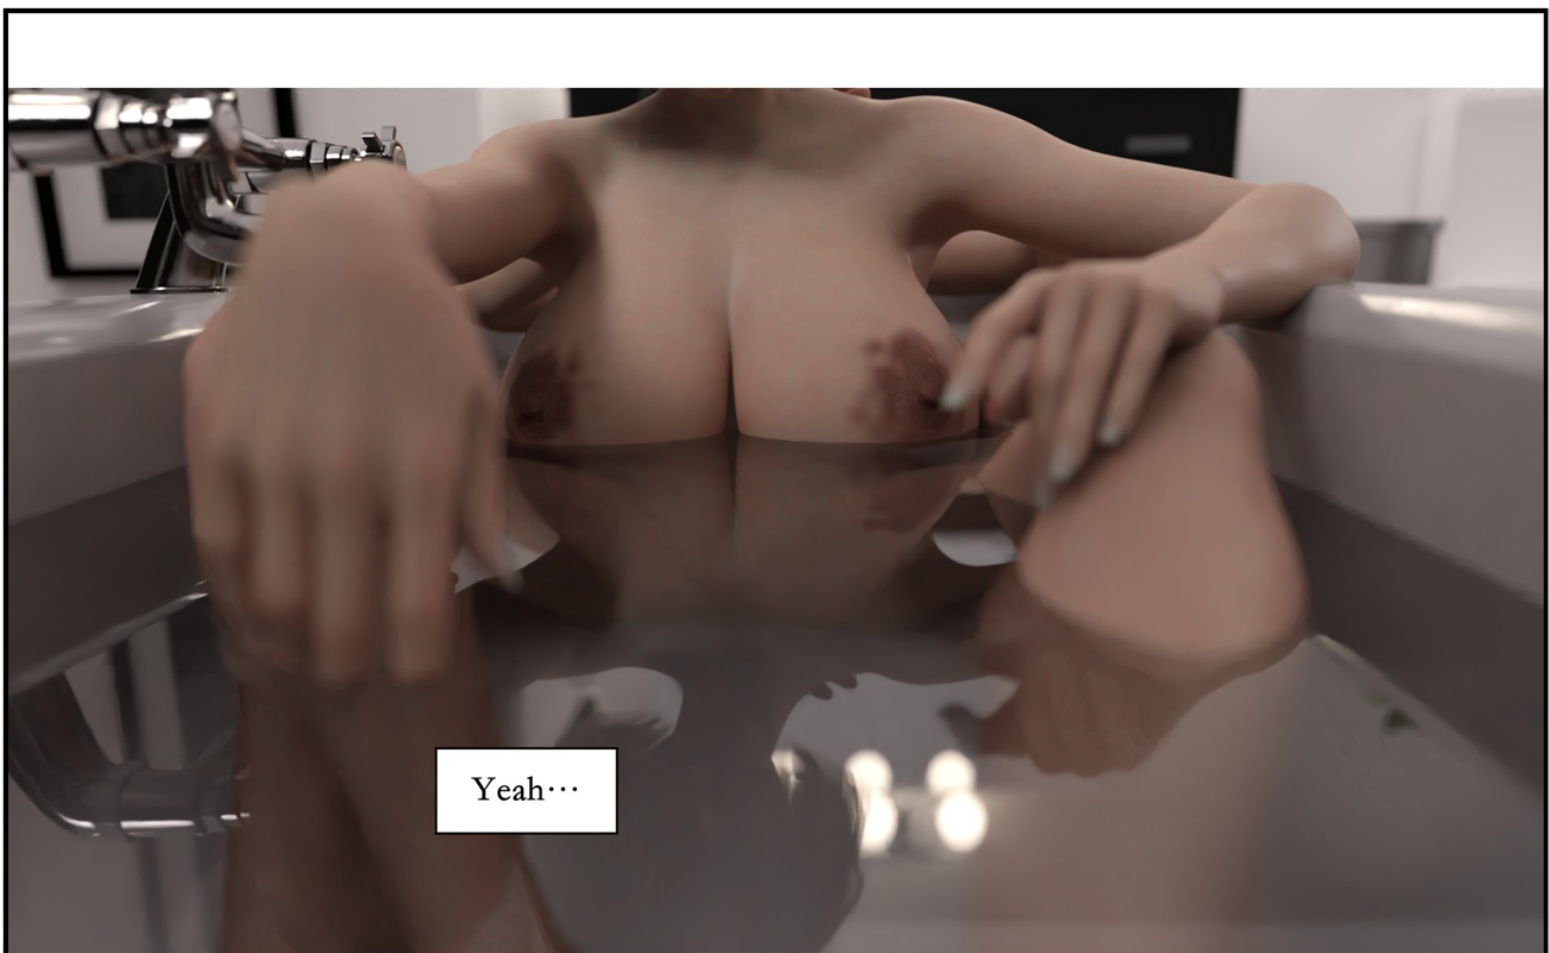

Ah?.. Is that okay..?

Although Shen Zijin was a little surprised that his sister did not shy away from her son appearing naked. That just made things much more easier.

Mom, is the strength okay?

Yeah...

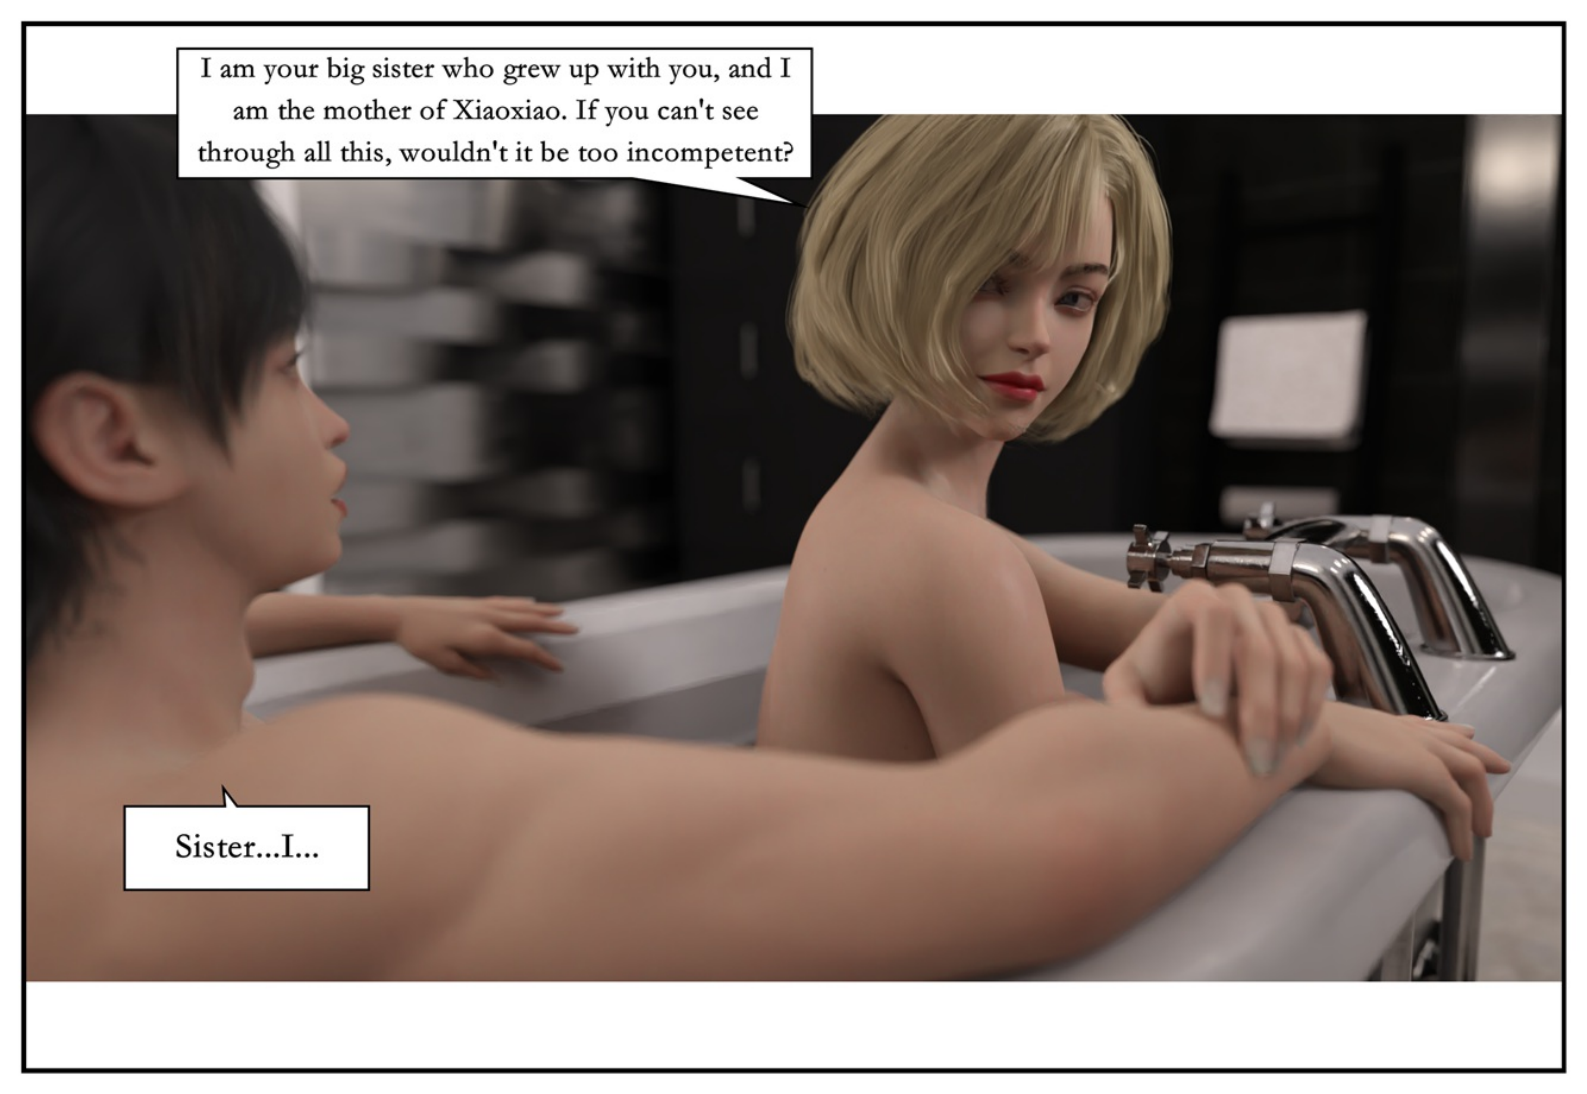

Speaking of which, do you still remember how long it has been since we took a bath together like this? Zijin...

Who knows. Probably for more than ten years or so?

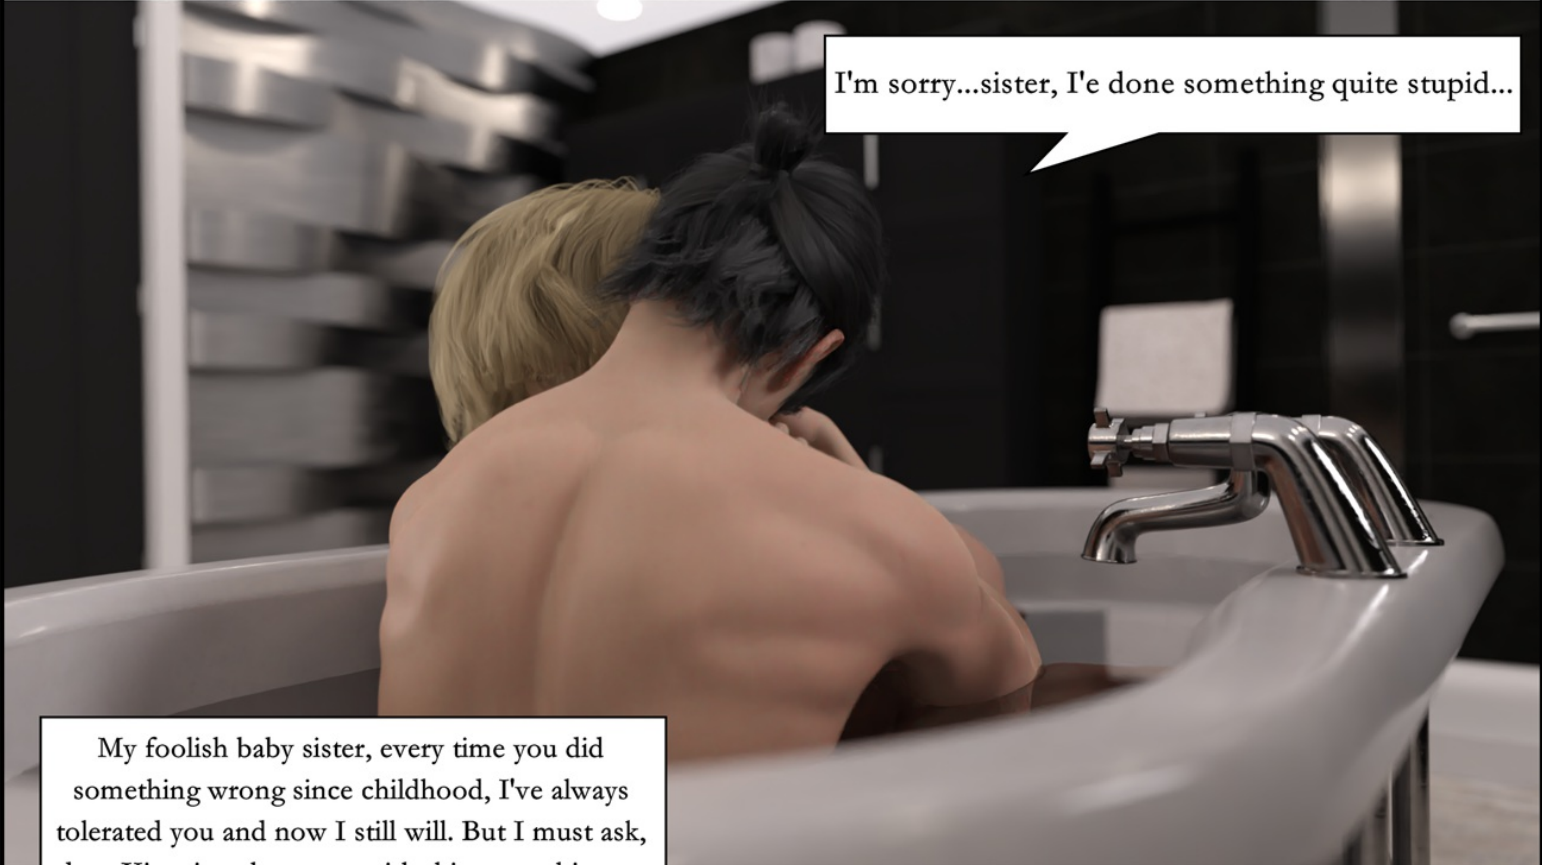

Wait...sister...when did you find out!

I am your big sister who grew up with you, and I am the mother of Xiaoxiao. If you can't see through all this, wouldn't it be too incompetent?

Sister...I...

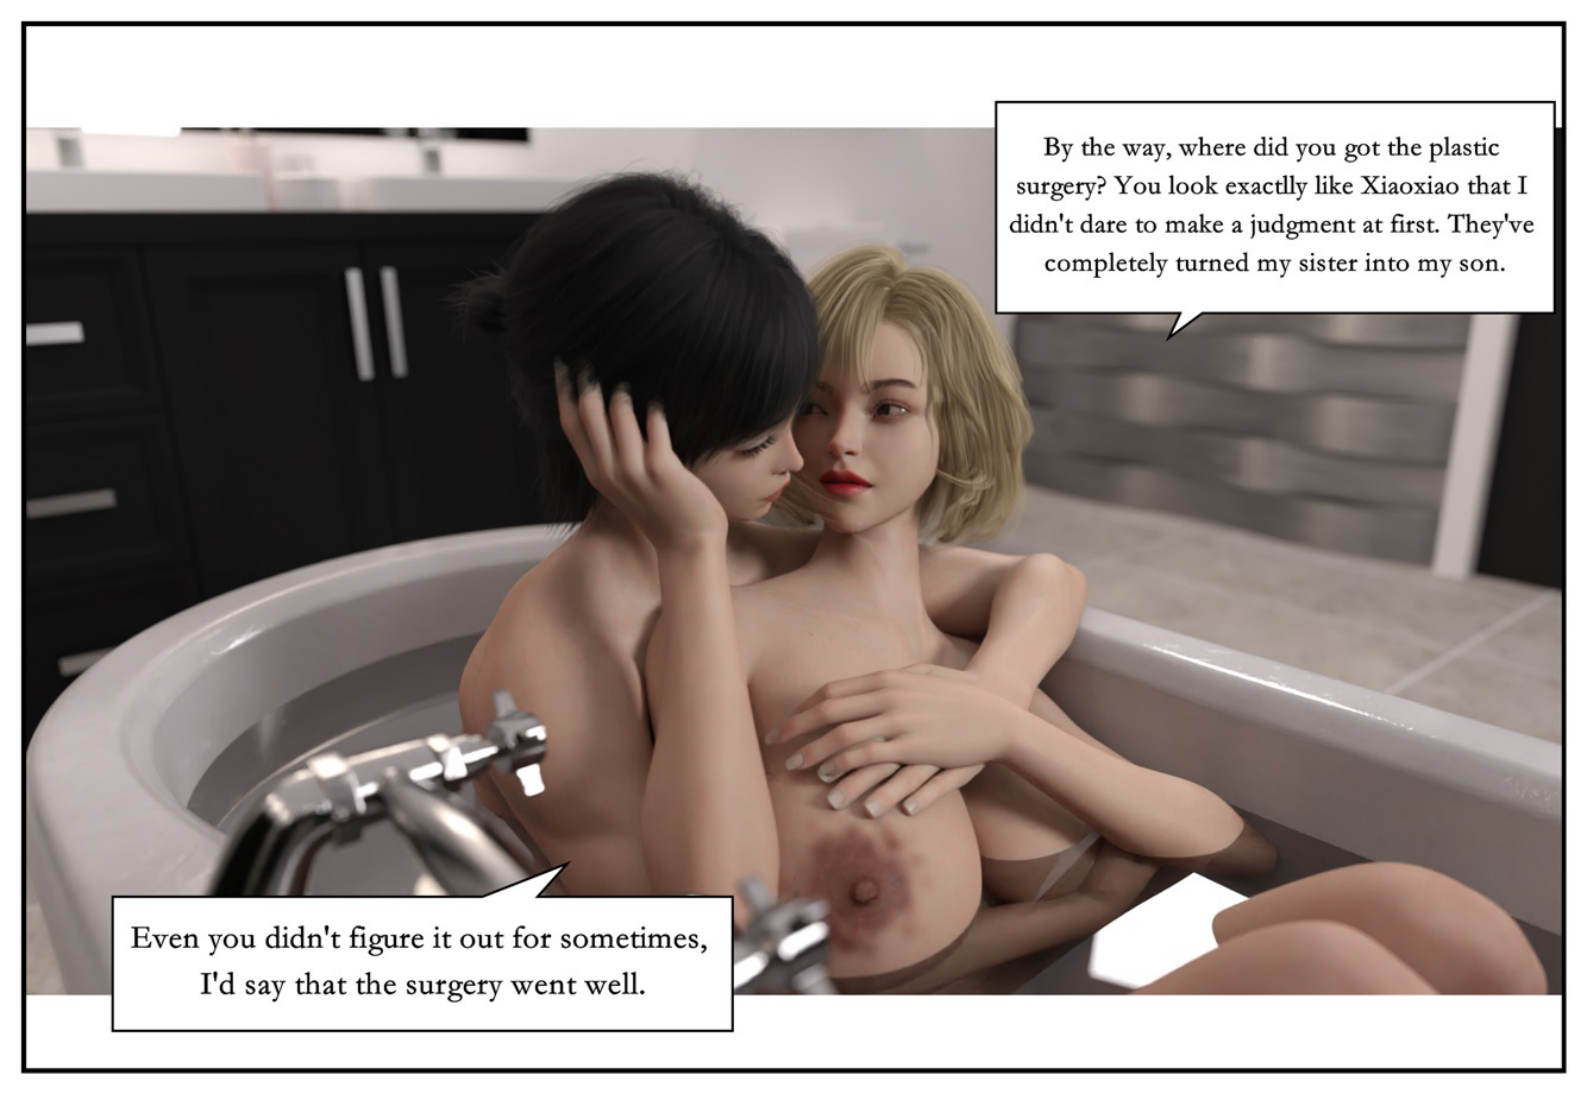

I'm sorry...sister, I'e done something quite stupid...

My foolish baby sister, every time you did something wrong since childhood, I've always tolerated you and now I still will. But I must ask, does Xiaoxiao also agree with this, your thing so to speak?

Yes, well, actually, it was Xiaoxiao's idea about all this, about the surgeries.

Is that so. I see..

A 3D-rendered scene showing two women in a hot tub. The woman on the left has short black hair and is looking towards the woman on the right. The woman on the right has short blonde hair and is looking back at her. The blonde woman has a large, dark, circular scar on her lower abdomen. The background shows a modern bathroom with dark cabinets and a white hot tub.

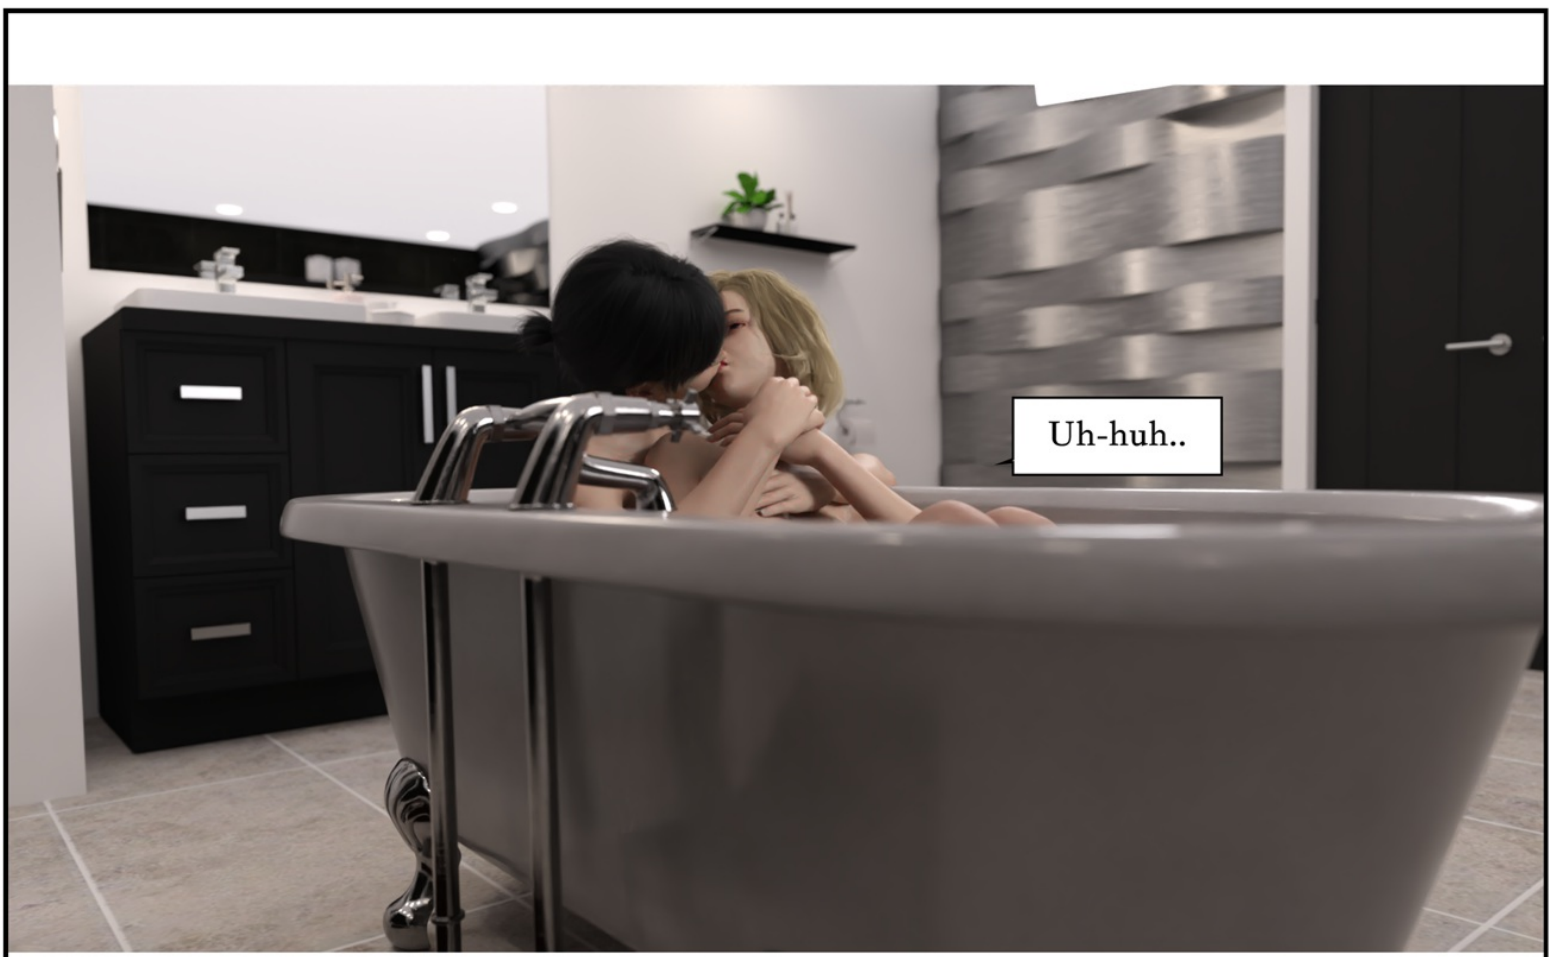

By the way, where did you get the plastic surgery? You look exactly like Xiaoxiao that I didn't dare to make a judgment at first. They've completely turned my sister into my son.

Even you didn't figure it out for sometimes, I'd say that the surgery went well.

Sister, you still remember that thing we
always did before bed time when we were young?

Of course, why, you still want...

Uh-huh..

Sorry sister, did I go too far again?

Yes, you've gone too far again. You're still calling me "sister".

I don't remember having a sister with
such a big cock.

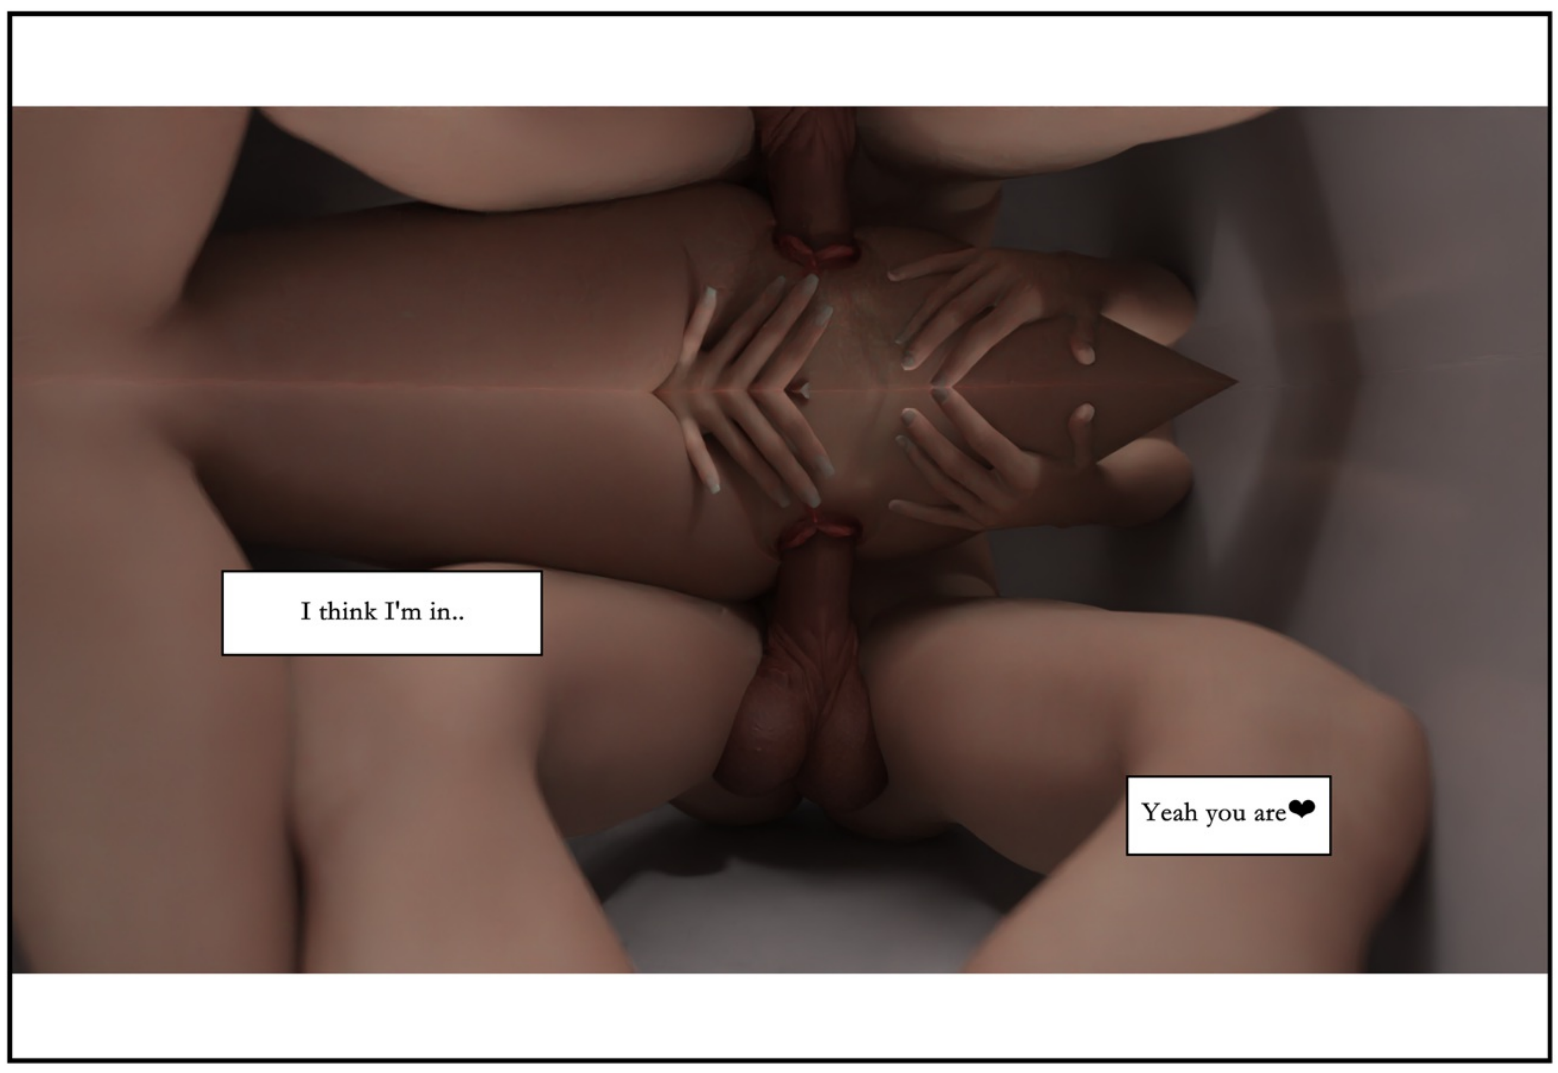

Ah, sister, my glans.. It's very sensitive.

Oh, is that it? Mom's pussy is also very sensitive. Do you want to give it a try?

A 3D rendered female character with short, straight black hair and bangs. She has a thoughtful expression, with her right hand raised to her chin. She is wearing a white bra. The background is a modern, brightly lit interior, possibly a kitchen or living area, with a white countertop and a dark cabinet visible. A speech bubble is positioned above her head.

Zipei.. Is it really ok for you..?

I think I'm in..

Yeah you are ♡

Be gentle, Zijin, your mom haven't done it for a while..

No, Zijin, slow down a bit..

Ah, mom, my cock feels so good!!!

Bad boy, you're obviously too skilled to be the first time. I think you're lying.

Ha, that's all because I have practiced with my mother before.

Okay okay, pull it out now, you've just cum so much in there.

Mom, I know that you have had sterilization surgery before so I figured that it's totally okay so...

Schemey.... Come sit down and bath with me some more.

A 3D-rendered scene of a modern bathroom. In the foreground, a woman with blonde hair and a man with dark hair are sitting in a white clawfoot bathtub, embracing each other. The woman is on the left, and the man is on the right, leaning towards her. The bathroom features a dark grey tiled wall on the left, a white tiled floor, a dark wood vanity with two white sinks, a mirror, a toilet, and a trash can. A potted plant is visible on the right side.

Sister, never thought that one day we would live together as mother and son right?

Yeah, I'll take some time to get used to it.

Epilogue

Well, I came here on a business trip, so I'll drop Yi Xiao over here by the way. I still have something else to do in the afternoon.

Sister, are you leaving right after the lunch?

Also I wanted to check on my sister.

Come on.. There's nothing to check on me..

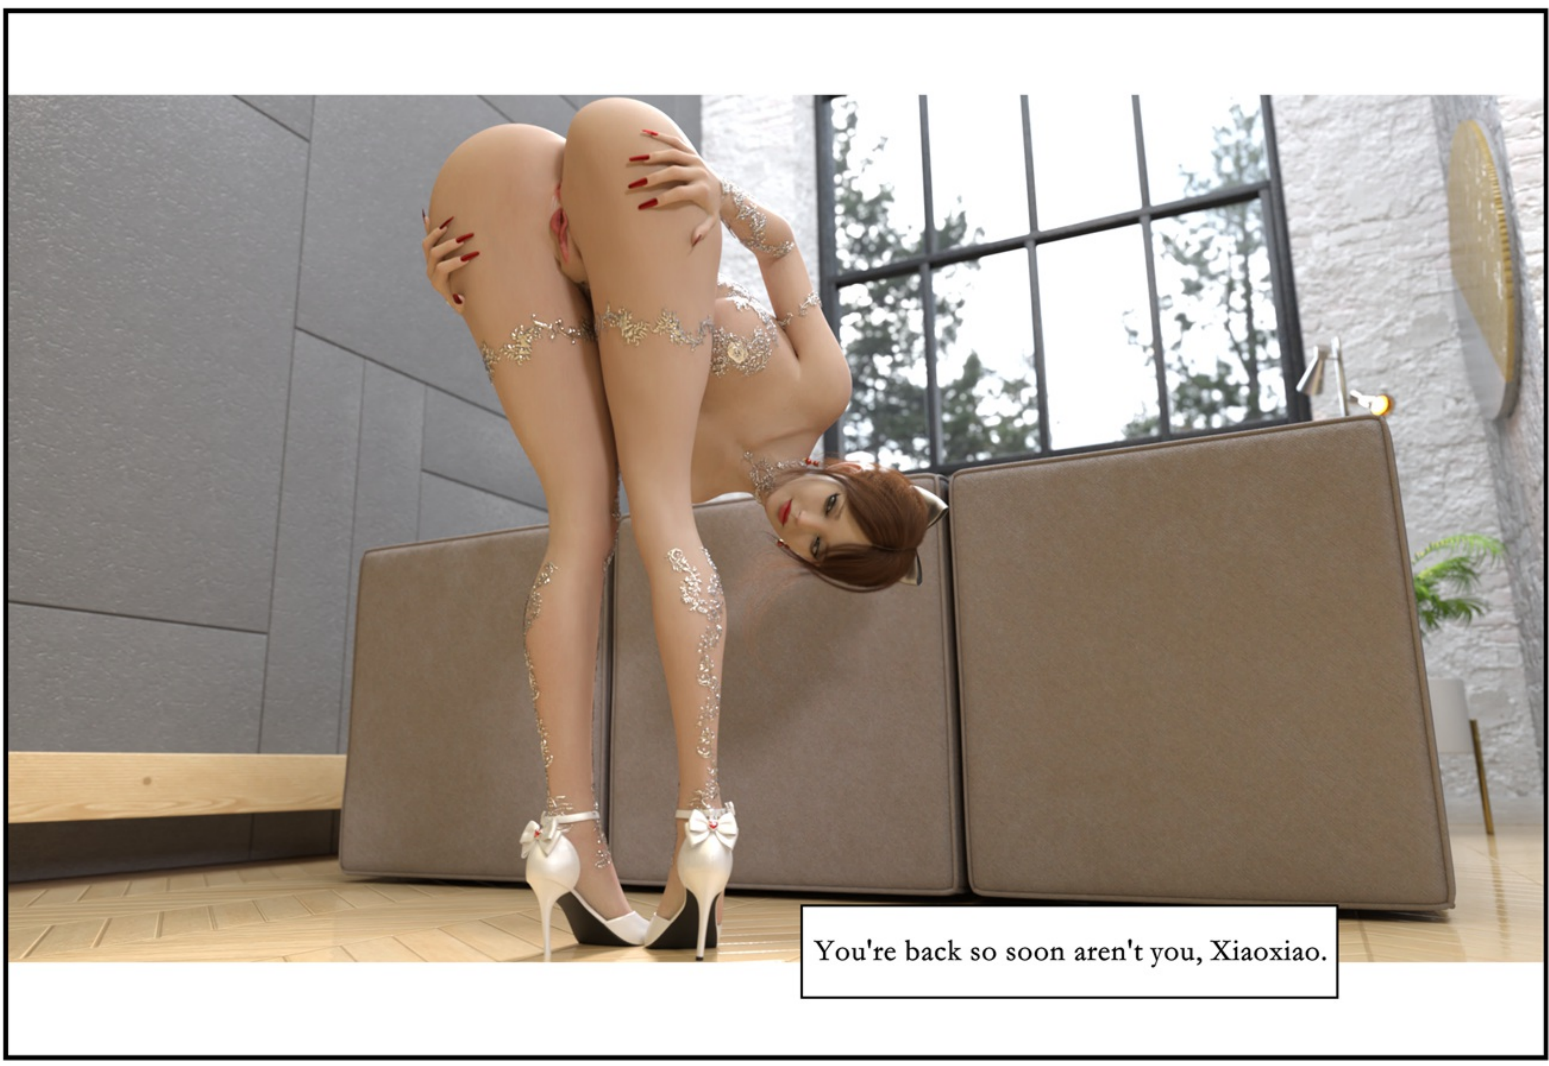

Knowing everything but still pretending
to know nothing..

Xiaoxiao hurry up, auntie is going to reward you something special after your seeing your mother off.

Yi Xiao, mom is going to work. Come and see her off.

Okay okay.. I'm going already..

You're back so soon aren't you, Xiaoxiao.

Do you like this auntie's reward?

My bad auntie, is this the reward for me or is it for you..?

Ah ♡ Of course it's a reward for my good nephew ♡

Xiaoxiao, do you love your auntie?

A close-up photograph of two anime-style female characters embracing outdoors. The character on the left has reddish-brown hair styled in a bun with a silver cat-ear headband. She is wearing a silver, sparkling, strapless top and matching arm warmers. She has red lips and is looking down towards the other character. The character on the right has short black hair and is wearing a black top. She is looking up at the first character. The background is a blurred outdoor setting with trees and a building. Two white text boxes with black borders are overlaid on the image. One box on the left contains the text "I love you too. ♡" and another box on the right contains the text "I do.".

I love you too. ♡

I do.
